Prize Code	Prize Name / Conditions	No Of Awards
P0000	<b>Dean's List of Excellence in Academic Performance</b>	1

This award is to appear on academic transcripts only, as a recognition of academic achievement on advice from Faculty. It does not carry any financial benefit.

P1040	<b>Investec Prize for Most Outstanding All Round Student</b>	1
-------	--	---

Established in 2003 by a donation from Investec Bank (Australia) Limited. The prize is awarded annually to a student in the final year of Honours of the Bachelor of Commerce or the Bachelor of Commerce (Liberal Studies) degrees, or completing the Bachelor of Commerce component (including Honours) of a combined Commerce degree. To be eligible, a student must have completed a major in one of the following areas: Finance, Accounting or Economics. The prize awarded on the basis of outstanding performance in one of the abovementioned degrees. This is defined as achieving a Distinction (75% or above) average for the pass degree or First Class Honours. Eligible students will also have a record of outstanding achievement in an area or areas other than academic endeavour. These include but are not exclusive to the following areas: music, art, performance, literature, sport, community service, student leadership. The Investec Prize recipient is selected from the short-listed students by a small panel consisting of the CEO of Investec or his or her delegate and the Associate Dean (undergraduate studies) of the Faculty of Economics and Business. The committee will recommend the prize winner to the Dean of the Faculty of Economics and Business for approval. The Faculty of Economics and Business has responsibility for the administration of the prize.

P1241	<b>Olivia Jing-Shu Ji Prize</b>	1
-------	---------------------------------	---

Established in 2007 by an annual donation from Olivia Jing-shu Ji. The objective of the prize is to encourage excellence in academic study at postgraduate level by an international student enrolled with the Faculty of Economics and Business.

The Prize will be awarded annually on the basis of most meritorious performance achieved by an international student enrolled in an annual standard full time study load or higher (where the annual standard load is deemed at 48 credit points) in one of the Faculty of Economics and Business postgraduate coursework degrees in the year of nomination for the award. The student should not already be on a sponsored award to receive the prize. It is awarded on the basis of highest Annual Average Mark (AAM). If two students achieve equal ranking the prize may be shared. The prize is valued at AU\$1000.

**Faculty:** F Economics and Business
