Prize Code	Prize Name / Conditions	No Of Awards
P0099	<a href="#">Peter Bancroft Prize for Research Work</a>	1

Provided that the work is of sufficient merit, the prize may be awarded annually by the Dean of the Faculty of Medicine on the recommendation of the Chair of the Board of Postgraduate Studies to the Doctor of Philosophy graduate in the Faculty of Medicine whose thesis has been passed by all three examiners without requiring any emendations or amendments. In the event of two or more graduates being deemed to be of equal merit, the prize may be shared. The prize will be awarded on 31 May each year to a graduate or graduates awarded the degree within the preceding 12 months.

P0107	<a href="#">Dagmar Berne Prize</a>	1
-------	------------------------------------	---

Founded in 1915 by a gift from Mrs Berne of Haberfield as a memorial to her daughter, Dagmer Berne, the first female student of the Faculty. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of Sydney Medical School to a candidate for the degrees of Bachelor of Medicine and Bachelor of Surgery for proficiency in the final barrier examinations. In the event of two or more students being deemed to be of equal merit, the Prize may be shared.

P0185	<a href="#">Dr H G Chapman Prize</a>	1
-------	--------------------------------------	---

Founded in 1930 by a gift from Dr H G Chapman for a prize for original research in Physiology in continuation of similar prizes awarded by him during his tenure of the Chair of Physiology. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of Sydney Medical School on the recommendation of the Head of the Discipline of Physiology to a fourth year student in Sydney Medical School or the Faculty of Science for the best essay with original research (ie Honours thesis) in Physiology. In the event of two or more students being deemed to be of equal merit, the Prize may be shared.

P0240	<a href="#">Canberra Clinical School Graham Wilkinson Prize</a>	1
-------	-----------------------------------------------------------------	---

Established by a gift of \$20,000 from Mr and Mrs G Wilkinson. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of the Faculty of Medicine on the recommendation of the Associate Dean of the Canberra Clinical School to a candidate for the degrees of Bachelor of Medicine and Bachelor of Surgery based at the Canberra Clinical School for the best overall performance in Years 3 and 4, as determined by the Canberra Clinical School. In the event of two or more students being deemed to be of equal merit, the Prize may be shared.

P0306	<a href="#">The Bercovici Medal and Prize</a>	1
-------	-----------------------------------------------	---

The Bercovici Medal and Prize was established in 1997 by a donation of \$10,000 from Professor Max Bennett of the Institute for Biomedical Research (now the Bosch Institute) and the Department of Physiology. The medal and prize are named after Professor Bennetts father in commemoration of his commitment to the idea that biomedical research provides the foundation for improving the well-being of mankind. A medal and prize may be awarded annually to the candidate for the degree of Doctor of Philosophy determined as having produced the best paper (published or in press) in the preceding calendar year. The candidate must be carrying out research in the Bosch Institute at the University of Sydney. The paper may be multi-authored, but the candidate must be the senior author and have made the major contribution to research in the paper as well as to the writing of the paper. The medal and prize may be awarded by the Dean of the Faculty of Medicine on the recommendation of a committee of the Bosch Institute established by the executive of the Institute specifically for this purpose.

**Faculty:** [K Medicine \(Sydney Medical School\)](#)

Prize Code	Prize Name / Conditions	No Of Awards
P0701	<a href="#">Arthur Edward Mills Graduation Prize</a>	1

Established in 1940 by a gift from Mrs Helen Mills for a prize in memory of her husband. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of Sydney Medical School to a candidate for the degrees of Bachelor of Medicine and Bachelor of Surgery for the most meritorious performance in the final examinations of the program. In the event of two or more students being deemed to be of equal merit, the Prize may be shared.

P0840	<a href="#">Renwick Prize</a>	1
-------	-------------------------------	---

Established in 1877 by a gift from the Honourable Sir Arthur Renwick, BA MD. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of Sydney Medical School to a candidate for the degrees of Bachelor of Medicine and Bachelor of Surgery for proficiency in the Stage 2 barrier examinations. In the event of two or more students being deemed to be of equal merit, the Prize may be shared.

P0880	<a href="#">Beverley Stewart Memorial Prize</a>	1
-------	-------------------------------------------------	---

Established in 1952 by a bequest from Dr Neville Stewart as a memorial to his daughter who was an undergraduate in the Faculty of Medicine. Awarded annually to a female student for proficiency in the subjects assessed at the first barrier examination in the undergraduate medical course.

P0921	<a href="#">McMahon Tennent Prize for Biochemistry</a>	1
-------	--------------------------------------------------------	---

Founded in 1952 by a bequest from the estate of Marion Margaret Hamilton McMahon Tennent. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of Sydney Medical School to a candidate for the degrees of Bachelor of Medicine and Bachelor of Surgery in the final year of the program for the highest performance and best Honours project in Biochemistry. In the event of two or more students being deemed to be of equal merit, the Prize may be shared.

P1270	<a href="#">Iain Buzzard Dunlop Memorial Prize</a>	1
-------	----------------------------------------------------	---

Established in 2004 following a donation of \$22,000 from the family of Iain Buzzard Dunlop and supplemented by the family in 2008.

Provided the work is of sufficient merit, the prize may be awarded annually by the Dean of Sydney Medical School to a student who graduates with the degrees of Bachelor of Medicine and Bachelor of Surgery with Honours and is the second-ranked Honours student for that year.

P1302	<a href="#">Joye Prize in Medicine</a>	1
-------	----------------------------------------	---

Established in 2008 by an annual donation from the Joye family to recognise outstanding performance in the Bachelor of Medicine and Bachelor of Surgery.

Awarded annually on the recommendation of the Honours Examination Committee of the Faculty of Medicine to the Medical Program University Medallist. The award will be shared equally if there is more than one medallist in any one year.

P0119	<b>Wolfe Solomon Brown Prize</b>	1

Established in 1956 by a bequest from the estate of Mrs Alice Edith Harris. Provided the work is of sufficient merit, the prize may be awarded annually by the Dean of the Faculty of Medicine on the recommendation of the Head of Department of Anatomy & Histology to the student prosector enrolled in the degrees of Bachelor of Medicine and Bachelor of Surgery who makes the best contribution to the Wilson Museum of Anatomy during his or her tenure of the Prosectorship. The prize may be shared.

P0507	<b>Richard M Howe Prize in Anatomy</b>	1
-------	----------------------------------------	---

Awarded first in 1967 and established in 1968 by the offer of an annual donation from Richard M. Howe, BDS. Awarded to a student for the best prosecution in the second year of the course for the degree of Bachelor of Dental Surgery, subject to the students performance in the second year examination in Anatomy being of sufficient merit. If two or more prosectors are of equal merit, the prize may be shared.

P0533	<b>Professor John Irvine Hunter Prize for Research in Anatomical Sciences</b>	1
-------	-------------------------------------------------------------------------------	---

Established in 1990 by a bequest from the late Mrs Dorothy Elizabeth Fuller in recognition of Professor John Hunters distinction in both classical and research anatomy. Provided the work is of sufficient merit, the prize may be awarded annually by the Dean of the Faculty of Medicine on the recommendation of the Head of School of Biomedical Sciences, after consultation with the Head of Discipline of Anatomy and Histology, to a candidate for a postgraduate degree for the best research undertaken in the Discipline of Anatomy and Histology. The prize may be shared.

P0534	<b>Professor John Irvine Hunter Prize</b>	1
-------	-------------------------------------------	---

Established in 1990 by a bequest from the late Mrs Dorothy Elizabeth Fuller in recognition on Professor John Hunters distinction in both classical and research anatomy. Provided the work is of sufficient merit, the Prize may be awarded annually by the Dean of Sydney Medical School on the recommendation of the Head of the School of Medical Sciences, after consultation with the Head of the Discipline of Anatomy & Histology, for the best prosecution of the head and neck and/or brain by a student. In the even of two or more students being deemed to be of equal merit, the Prize may be shared.

P0636	<b>A M Lowenthal Prize</b>	1
-------	----------------------------	---

The prize was established in 1925 by a donation from A. M. Loewenthal. Provided the work is of sufficient merit, the prize may be awarded annually by the Dean of the Faculty of Medicine on the recommendation of the Head of the School of Medical Sciences, after consultation with the Head of the Discipline of Anatomy & Histology, for the best practical work by a student in Anatomy (including Histology & Embryology), the nature of such practical work to be determined by the Head of School in consultation with the Head of the Discipline of Anatomy & Histology. In the event of two or more students being deemed to be of equal merit, the prize may be shared.

P0860	<b>J L Shellshear Memorial Prize for Surgical Anatomy</b>	1
-------	-----------------------------------------------------------	---

Founded in 1959 by a gift from Professor N.W.G. Macintosh and Dr G. Bell to establish an annual prize for a student enrolled in the Bachelor of Medical Science course for proficiency in practical Anatomy. The prize is to be known as the J.L. Shellshear Memorial Prize in Surgical Anatomy and is to be awarded on the recommendation of the Head of the Department of Anatomy.

P1422	<a href="#">Anthony Molteno Award for Ophthalmic Optics</a>	1

Established in 2011 in recognition of the work of Professor Anthony Molteno and his contribution to ophthalmic education. Professor Anthony Molteno is a world authority on glaucoma, having been responsible for the development of, among other things, the Molteno implant. This was the first glaucoma drainage implant and it is considered to be the "gold standard". He was the first to describe the cellular composition of the blebs that develop following both trabeculectomies and Molteno implants. His contribution to the teaching of ophthalmic basic sciences started in 1980 when he began teaching optics to registrars. Since then he has been an examiner with RANZCO and with the South African College of Ophthalmologists, as well as making many contributions to textbooks and scholarly articles. He is a major contributor to the Sydney/Otago Ophthalmic Optics unit of study and continues to take an active interest in the optics through his hobbies of microscopy and astronomy.

Eligibility: highest ranking student in Ophthalmic Optics in the Ophthalmic Science postgraduate coursework programme.

Award: Plaque

Provided the work is of sufficient merit, this Award may be granted annually on the recommendation of the Discipline of Clinical Ophthalmology and Eye Health to the highest ranking student in Ophthalmic Physiology for the degrees of Graduate Diploma in Medicine (Ophthalmic Science), Graduate Diploma of Science in Medicine (Ophthalmic Science), Master of Medicine (Ophthalmic Science) and Master of Science in Medicine (Ophthalmic Science). In the event of two or more students being deemed to be of equal merit, the Award may be shared.
