P0224	<b>Janet Elspeth Crawford Prize for Student at the Women's College Graduating With Honours</b>	1

Established in 1982 by a donation of \$5000, supplemented by bequests totalling \$30 000, from Sir John and Lady Crawford in memory of their daughter Janet Elspeth Crawford, who graduated from the University in 1965 with the degree of Bachelor of Science with First Class Honours and the University Medal in Physical Chemistry. The Prize at the Womens College may be awarded to a woman student who has qualified for the award of a Bachelors Degree with Honours in any Faculty provided that she was resident at the Womens College during the whole of the final year of candidature. The prize is awarded annually on the recommendation of the Deans of the Faculties in which eligible students are enrolled, to the most proficient woman student graduating with a Bachelors Degree, provided that the degree is awarded at least at the grade of Second Class Honours Division 1.

P1231	<b>Walter Selle Scholarship</b>	1
-------	---------------------------------	---

In 1959 the Sydney University Evening Students Association launched an appeal to establish a Walter Selle Evening Students Scholarship in honour of Walter A. Selle, MA, a former Registrar of the University, from 1924 to 1947. In 1963, the Senate decided that the income from the appeal fund, which totalled about 1000 pounds, be applied to establish an annual Walter Selle Scholarship. The scholarship shall be awarded annually to a part-time honours student in the Faculty of Arts or in the Faculty of Economics & Business on the basis of academic distinction in the final year of their pass degree, provided the work is of sufficient merit. The scholarship may be shared.

P1234	<b>Arts Summer School Undergraduate Merit Prize</b>	1
-------	---	---

To be awarded to for excellent work in a Table A Arts unit of study in the Summer School (covering the period December, January and February). No application is required. At the time of the commencement of the Summer School unit(s), the student must be enrolled in, but not have completed, an undergraduate award course at the University of Sydney. The student may be part-time or full-time, local or international.

SELECTION OF WINNER:

- i.  A decision will be based on final results in Summer School units of study entered by March 16. No results received after this date will be considered.
- ii.  The award will go to the student who achieves the highest mark in a 6 credit point Summer School unit administered by the Faculty of Arts, provided that their final mark is 85 or more.
- iii.  In the event of a tied result, the award will be made to the student from the tied group who has completed, with a grade of pass or better, the highest number of Summer School credit points in that session.
- iv.  If the result is still tied, the award shall be made to the student from the tied group with the best academic performance in their undergraduate award course.

The Prize is awarded on the recommendation of the Dean of Arts in conjunction with Summer School.

P1237	<b>Science Summer School Undergraduate Merit Prize</b>	1

To be awarded to a student for excellent work in an undergraduate Science unit of study in the Sydney Summer School (covering the period December, January and February).

TO BE ELIGIBLE FOR CONSIDERATION:

No application is required. At the time of the commencement of the Summer School unit(s), the student must be enrolled in, but not have completed, a University of Sydney undergraduate award course whose degree resolutions require a major in Science. The student may be part-time or full-time, local or international.

SELECTION OF WINNER:

- i.  A decision will be based on final results in Sydney Summer School units of study received by the Student Centre on or before March 16, 2007. No results received after this date will be considered.
  - ii.  The award will go to the student who achieves the highest mark in a 6-credit point Sydney Summer School undergraduate unit administered by the Faculty of Science, provided that his/her final mark is 85% or more.
  - iii.  A student who achieves an average of 85% or more over two 3-credit point Sydney Summer School mathematics units will also be considered.
  - iv.  In the event of a tied result, the award will be made to the student from the tied group who has completed, with a grade of pass or better, the highest number of Sydney Summer School credit points in that session.
  - v.  If the result is still tied, the award will be made to the student from the tied group with the best academic performance in their undergraduate award course.
- The Prize is awarded on the recommendation of the Dean of Science in conjunction with the Sydney Summer School.

P1271	<b>Walter Reid Memorial Prize</b>	270
-------	-----------------------------------	-----

The Walter Reid Memorial Prize was originally established in 1948 from the estate of Mr Walter Edward Reid, barrister-at-law and Secretary to the Bar Association of NSW. The prize shall be awarded annually without application to students currently enrolled in any undergraduate degree course in the Faculty of Arts or the Faculty of Law (including Honours, or any undergraduate degree course combined with Arts or Law) on the basis of academic merit in the previous year. The Bachelor of Liberal Studies shall be regarded as a degree within the Faculty of Arts for the purpose of this award. The number of awards shall be determined by the funds available and the recipients being of satisfactory merit.

P1278	<b>University of Sydney Academic Merit Prize</b>	300
-------	--	-----

Awarded annually on recommendation by the Deans, this prize recognises the highest performing undergraduate students in each faculty based on average marks. Value \$1000. This prize may not be shared.
