

**Faculty:** N Veterinary Science

**Department:** N00 Veterinary Science Faculty

Prize Code	Prize Name / Conditions	No Of Awards
P0000	<b>Dean's List of Excellence in Academic Performance</b>	1

This award is to appear on academic transcripts only, as a recognition of academic achievement on advice from Faculty. It does not carry any financial benefit.

P0039	<b>Australian Veterinary Association Prize for Undergraduates in Veterinary Pathology</b>	1
-------	---	---

Established in 1955, this prize is awarded annually by the Australian Veterinary Association, on the recommendation of the Dean of the Faculty of Veterinary Science, to the outstanding student, if of sufficient merit, in Veterinary Pathology.  
The prize shall be a suitable book selected by the prizewinner and approved by the President of the Australian Veterinary Association.

P0040	<b>Auxiliary to the Australian Veterinary Association (NSW Division) Prize for Third Year</b>	1
-------	---	---

Established in 1972, this prize is presented by the Auxiliary to the Australian Veterinary Association (N.S.W. Division) to the student who has shown the greatest improvement in third year, having passed second year at the annual examinations with an average mark of not more than 60 per cent. Students who have repeated second or third year are ineligible for this prize.

P0041	<b>Auxiliary to the Australian Veterinary Association (NSW Division) Prize in Veterinary Medicine and Clinical Pathology</b>	1
-------	--	---

Established in 1968, this prize is awarded annually by the Auxiliary to the Australian Veterinary Association (N.S.W. Division) for proficiency in 4th year Veterinary Medicine & Clinical Pathology provided the students work is of sufficient merit.

P0068	<b>Australian Small Animal Veterinary Association Prize in Medicine and Surgery</b>	1
-------	---	---

Established in 1988 by the offer of an annual donation from the Australian Small Animal Veterinary Association.  
Awarded annually on the recommendation of the Head of the Department of Veterinary Clinical Sciences to the student in Veterinary Science IV who displays greatest practical proficiency in small animal medicine and surgery, as demonstrated by performance at annual practical examinations involving medicine, surgery and radiology and as assessed by appropriate members of the Department of Veterinary Clinical Sciences.  
Value, prize money, a medallion and two years membership of the Association.

P0069	<b>Auxiliary to the Australian Veterinary Association (NSW Division) Prize in Animal Genetics</b>	1
-------	---	---

Established in 1992, by the offer of an annual donation from the Auxiliary to the Australian Veterinary Association (NSW Division). Awarded annually on the recommendation of the Dean of the Faculty of Veterinary Science to the candidate enrolled for the degree of Bachelor of Veterinary Science who demonstrates the greatest proficiency in the course Animal Genetics, provided the candidates work is of sufficient merit.

**Faculty:** N Veterinary Science

**Department:** N00 Veterinary Science Faculty

Prize Code	Prize Name / Conditions	No Of Awards
P0094	<b>Wally McGreevy Prize for Animal Welfare Science</b>	1

Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science.  
Established in 1999 by a donation of \$3,000, this undergraduate prize is awarded annually by nomination of the Animal Welfare Advisory Committee for the best essay on developments in Animal Welfare Science over the past twelve months. The winning essay will be published on the Animal Welfare section of the Faculty's website.

P0101	<b>Baker and Ridley Memorial Prize for Animal Husbandry</b>	1
-------	---	---

Founded in 1924 by a gift of 100 pounds (with accumulations) from the Veterinary Association of New South Wales to establish a prize in memory of Captains Horace Morgan Baker and William John Ridley, members of the Association and graduates in Veterinary Science of the University who were killed on active service.  
The conditions of award are as follows:  
1. That a prize of \$150 shall be awarded annually. Any accumulations are to be added to the capital sum with a view to providing a scholarship in the future.  
2. The prize shall be awarded annually to the student who achieves the highest mark for the Animal Husbandry Practical Report.  
3. The prize shall be awarded by the Faculty at the conclusion of the professional examination at the end of the fourth year on the recommendation of the lecturer and co-examiner in each of the subjects included.  
4. In the event of no candidate reaching the desired standard of efficiency in any year, the prize shall not be awarded for that year.

P0105	<b>H G Belschner Prize in Sheep and Wool</b>	1
-------	--	---

Established in 1959 by a gift of 200 pounds from H.G. Belschner, DVSc.  
Awarded annually to the first year student in the Faculty of Veterinary Science showing the greatest proficiency in sheep and wool.

P0153	<b>Rex Butterfield Prize</b>	1
-------	------------------------------	---

Established in 1987 by a donation of \$1000 from friends and colleagues of Emeritus Professor R. M. Butterfield to support a prize which will perpetuate his name and acknowledge his concern for students.  
Awarded annually, to a Year 2 student who achieves proficiency in Veterinary Anatomy and Physiology.

P0158	<b>Chapter of Veterinary Pharmacology of the Australian College of Veterinary Scientists Prize in Veterinary Pharmacology and Toxicology</b>	1
-------	--	---

Established in June 1987 following an offer by the Australian College of Veterinary Scientists, Chapter of Veterinary Pharmacology, to provide a prize for proficiency in Veterinary Pharmacology.  
Awarded annually to a third year student from the Faculty of Veterinary Science, for proficiency in Veterinary Pharmacology and Toxicology.  
Value: an inscribed plaque and a letter of citation from the Chapter.

P0177	<b>HR Carne Prize and Medal for Excellence in the Bachelor of Science (Veterinary) Degree</b>	1

Established in 1991 by donations from friends and colleagues of Emeritus Professor H R Carne to acknowledge his promotion of research and to commemorate his many contributions to the development of the Faculty of Veterinary Science.

The Medal and prize may be awarded annually, on the recommendation of the Research and Scholarship Committee, to the candidate who has demonstrated the greatest proficiency in the examinations for the Degree of Bachelor of Science (Veterinary) provided that the candidates work is of sufficient merit. The award may be shared.

P0234	<b>C W Emmens Prize in Veterinary Anatomy and Physiology</b>	1
-------	--	---

Established in 1990 by a donation from the Department of Veterinary Physiology to support a prize that will acknowledge the role of Emeritus Professor C W Emmens in the establishment of the Department.

Awarded annually to the student who achieves the highest aggregate marks in 1st and 2nd year Veterinary Anatomy and Physiology in sequential years.

P0271	<b>Richard Norman Sanders Prize</b>	1
-------	-------------------------------------	---

Established in 2000 by a bequest of \$15,000 from Richard Norman Sanders who died on 19 June 1999. The purpose of this bequest is to provide income to be used as an annual monetary prize in clinical proficiency. The Prize is awarded annually to the veterinary student who has shown greatest proficiency in practical clinical work in both the fourth and fifth years of their study.

P0278	<b>Ridley Agriproducts in Animal Nutrition</b>	1
-------	--	---

Established in 2000 by the offer of an annual donation by Ridley AgriProducts to promote closer links with students in the BScAgr degree and BAnimSc. Awarded annually on the recommendation of the Sub Dean (Agriculture Teaching) in the Faculty of Veterinary Science to the student who is a permanent resident or citizen of Australia and who demonstrates the greatest proficiency in Animal Nutrition 3, provided the work is of sufficient merit.

P0280	<b>Dairy Research Foundation Prize in Animal Science</b>	1
-------	--	---

Established in 1977 by an offer from the Dairy Science Research Foundation of an annual donation for a prize in animal science with particular reference to dairying. Awarded annually in the Faculty of Agriculture, Food and Natural Resources on the recommendation of the Sub Dean (Agriculture Teaching) in the Faculty of Veterinary Science to the student enrolled in the fourth year subject Animal Production who achieves the highest proficiency with particular reference to dairying, provided the students work is of sufficient merit.

P0334	<b>Auxiliary to the Australian Veterinary Association (NSW Division) Prize for Cell Biology, Veterinary Anatomy and Physiology I &amp; II</b>	1
-------	---	---

Established in 1983 by the Association with surplus funds of about \$1000 held in the Australian Womens Veterinary Auxiliary Loan Fund. Awarded annually on the recommendation of the academic(s) responsible for teaching Cell Biology and Veterinary Anatomy and Physiology I and II to a first year student enrolled in the Bachelor of Veterinary Science for proficiency in Cell Biology and Veterinary Anatomy and Physiology I and II.

**Faculty:** N Veterinary Science

**Department:** N00 Veterinary Science Faculty

Prize Code	Prize Name / Conditions	No Of Awards
P0344	<b>APDT - Australian Prize for Canine Welfare Science</b>	1

Established in 2003 by a donation of \$300 from the Association of Pet Dog Trainers Australia Incorporated, to enhance understanding of the behaviour and welfare of the domestic dog. Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest understanding in the Animal Welfare Science Essay of issues relating to behaviour and welfare of the domestic dog.

P0390	<b>Farr Memorial Prize in Animal Husbandry</b>	1
-------	--	---

Established in 1941 by a gift of 50 pounds from Miss Kathleen Farr for a prize in memory of her parents. Awarded to the first-year Veterinary Science student who shows the greatest proficiency in equine husbandry.

P0421	<b>Albert Victor Steers Bequest Prize</b>	2
-------	---	---

Established in 2003 by a bequest of \$50,000 from Mr Albert Steers Harris, for the establishment of the annual award of two (2) prizes to be known as "Status Prizes" to be given to veterinary science students in the undergraduate course leading to the degree of Bachelor of Veterinary Science. The prizes to be awarded to:  
a) the male student receiving the highest marks in the final year, and  
b) the female student receiving the highest marks in the final year.  
The prizes are given to encourage the recipients to undertake further veterinary studies and reflect the love of Francis Rendles and Albert Victor Steers Harris towards animals.

P0424	<b>Friends of the Brush-Tailed Rock Wallaby Scholarship</b>	1
-------	---	---

Established in 2004 by an annual donation of \$2,000 from the Friends of the Brush-tailed Rock Wallaby organization, to support a student enrolled in the Masters of Applied Science (Wildlife Health and Population Management) program, in research that will enhance knowledge of the brush-tailed rock wallaby and/or its habitat. Awarded annually based on performance in the Unit of Study WILD 5001, Australasian Wildlife - Introduction.

P0451	<b>N P H Graham Prize for Sheep Medicine</b>	1
-------	--	---

Established in 1983 by donations from the family, friends and colleagues of Norman Piesse Hunter Graham to acknowledge his many contributions to the Australian sheep industry. Mr Graham graduated in 1929 in the University of Sydney and devoted his professional life, mostly as an officer of the CSIRO, to the investigation of problems in the sheep industry. Awarded annually, on the recommendation of the professor in the Faculty of Veterinary Science with academic responsibility for veterinary medicine, to the candidate for the degree of Bachelor of Veterinary Science who demonstrates greatest proficiency in the sheep component of Veterinary Ruminant Health & Production to an undergraduate student in Year 4, provided the work is of sufficient merit.

**Faculty:** N Veterinary Science

**Department:** N00 Veterinary Science Faculty

Prize Code	Prize Name / Conditions	No Of Awards
P0479	<b>Virginia Osborne Prize for Anatomy of the Horse</b>	1

Established in 1982 by a gift to the University of \$1300 from Miss V.E. Osborne, who had been a member of the teaching staff of the University since 1947 and Associate Professor in Veterinary Anatomy from 1980 to 1982. The gift was augmented by a further donation of \$1300 from a fund to which many of her former students and professional associates had contributed to commemorate her long association with the teaching of anatomy, and particularly that of the horse. Awarded annually on the recommendation of the Head of the Department of Veterinary Anatomy to the candidate in the second year of the Bachelor of Veterinary Science degree course who shows the greatest proficiency in studies of the anatomy of the horse, provided that the students work is of sufficient merit.

P0562	<b>Australian Society for Parasitology Prize in Veterinary Parasitology</b>	1
-------	---	---

Established in 1991 by the offer of an annual donation from the Australian Society for Parasitology. Awarded annually for proficiency in Veterinary Parasitology 3, providing the work is of sufficient merit.

P0585	<b>K G Johnston Prize in Veterinary Clinical Pathology</b>	1
-------	--	---

Established in 1988 by a donation of \$1200 from the friends and colleagues of K.G. Johnston to support a prize to perpetuate his name and acknowledge his service to veterinary clinical pathology. Awarded annually on the recommendation of the Dean of the Faculty of Veterinary Science, after consultation with the Professor of Animal Health, Camden, to the candidate who demonstrates the greatest proficiency in laboratory medicine in the final year, provided the candidates work is of sufficient merit.

P0637	<b>Lonsdale Prize (A) in Clinical Studies</b>	1
-------	---	---

Established in 1977 by a bequest of \$5000 from the estate of Lionel Lonsdale. The prizes are to be awarded annually to the two students showing the greatest proficiency in clinical studies at the end of fourth year provided they are of sufficient merit, on the recommendation of the head of the department.

P0638	<b>Lonsdale Prize (B) in Clinical Studies</b>	1
-------	---	---

Established in 1977 by a bequest of \$5000 from the estate of Lionel Lonsdale. The prizes are to be awarded annually to the two students showing the greatest proficiency in clinical studies at the end of fourth year provided they are of sufficient merit, on the recommendation of the head of the department.

P0707	<b>Jack Moran Prize in Veterinary Public Health</b>	1
-------	---	---

Established in 1957 by the offer of an annual donation from Mrs Amy C.M. Moran in memory of her husband. Awarded annually to the student who demonstrates the greatest proficiency in the course Veterinary Public Health, provided that the students work is of sufficient merit.

Prize Code	Prize Name / Conditions	No Of Awards
P0714	<a href="#">William James McHugh Prize in Equine Medicine or Surgery</a>	1

Established in 1981 by a donation of \$2000 from J. Bruyn, a recent graduate in the Faculty of Veterinary Science. Awarded annually on the recommendation of the Faculty's Essay Committee to the fourth or fifth year undergraduate student in Veterinary Science who prepares the best case report in equine medicine or surgery, provided the entry is of sufficient merit.

P0774	<a href="#">Poultry Research Foundation Prize in Animal Science</a>	1
-------	---	---

Established in 1977 by an offer from the Poultry Science Research Foundation of an annual donation for a prize in Animal Science with particular reference to Poultry. Awarded annually in the Faculty of Agriculture, Food and Natural Resources on the recommendation of the Sub Dean (Agriculture Teaching) in the Faculty of Veterinary Science to the student enrolled in the fourth year subject Animal Production who achieves the highest proficiency with particular reference to poultry, provided the student's work is of sufficient merit. Value, \$700.

P0839	<a href="#">Robert Reeves Hodgekiss Prize</a>	1
-------	---	---

Established in 1996 by annual donation in honour of Robert Reeves Hodgekiss. Awarded annually for proficiency in Horse Medicine & Surgery in Year 5, provided that the work is of sufficient merit. The prize may be shared.

P0848	<a href="#">Surgery Chapter of the Australian College of Veterinary Scientists Prize for Veterinary Surgery</a>	1
-------	---	---

P0862	<a href="#">WR Sidman Memorial Prize (Division of the Australian Veterinary Association)</a>	1
-------	--	---

Established in 1971 by an offer from the N.S.W. Division of the Australian Veterinary Association to donate an annual prize. Awarded to the student, provided the student's work is of sufficient merit, who shows the greatest proficiency in clinical studies in Veterinary Science IV, based on the recommendations of the Heads of the Departments of Veterinary Medicine and Veterinary Surgery and the Superintendent of the Sydney Clinic. The award will take the form of two years' membership of the Australian Veterinary Association. Established in 1971 by an offer from the N.S.W. Division of the Australian Veterinary Association to donate an annual prize. Awarded to the student, provided the student's work is of sufficient merit, who shows the greatest proficiency in clinical studies in Veterinary Science IV, based on the recommendations of the Heads of the Departments of Veterinary Medicine and Veterinary Surgery and the Superintendent of the Sydney Clinic. The award will take the form of two years' membership of the Australian Veterinary Association.

P0881	<a href="#">J D Stewart Essay Prize in Veterinary Science</a>	1
-------	---	---

Established in 1939 by a gift of 100 pounds from Professor J.D. Stewart. Awarded for proficiency in the 5th year Honours Elective Research Essay. First awarded 2008.

**Faculty:** N [Veterinary Science](#)

**Department:** [N00](#) [Veterinary Science Faculty](#)

Prize Code	Prize Name / Conditions	No Of Awards
P0884	<a href="#">Stewart Prize in Veterinary Medicine</a>	1

Established in 1960 by a bequest of 500 pounds from Emeritus Professor J.D. Stewart.  
Awarded, on the recommendation of the Head of the Department of Veterinary Clinical Studies to the student showing the greatest proficiency in Veterinary Medicine at the fourth year examination.

P0899	<a href="#">S T D Symons Prize for Clinical Subjects</a>	1
-------	--	---

Founded in 1934 by a bequest of 600 pounds from Sydney Thomas Doidge Symons, MRCVS, Chief Inspector of Stock in New South Wales from 1909 to 1923.  
Conditions amended in 2005 to read: The STD Symons Prize for Clinical Subjects will be awarded annually on the recommendation of the Dean of the Faculty of Veterinary Science based on Year 5 supervisor rotation reports and the best result calculated by the greatest number of overall outstanding grades.

P0986	<a href="#">Wires Wildlife Prize</a>	2
-------	--------------------------------------	---

Established in 1994 by the offer of an annual donation of \$250 from the New South Wales Wildlife Information and Rescue Service Inc. (WIRES).  
The aim of the prize is to encourage interest in the veterinary aspects of wildlife, to encourage the welfare of native wildlife in general terms and to develop strong links between the Faculty and WIRES.  
Awarded annually for proficiency in the Written Project component of Veterinary Conservation Biology in Year 2 relating to Australian native wildlife. The essays will be examined by a representative of the Faculty and a representative of the State Management Committee of WIRES and the guidelines applicable to the JD Stewart Essay Prize will apply.

P0998	<a href="#">Australian Veterinarians in Public Health Student Prize</a>	1
-------	---	---

Established in 2000 by the offer of an annual donation from Australian Veterinarians in Public Health (AVPH), a Special Interest Group of the AVA, to encourage excellence in veterinary public health studies. The prize shall be awarded, on the recommendation by the Final Year Student Essay Coordinator, to the student who achieved the highest mark in the final year subject Veterinary Public Health of the Bachelor of Veterinary Science course.

P1026	<a href="#">MLA Beef Cattle Welfare Science Prize</a>	1
-------	---	---

Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest proficiency in the Animal Welfare Science Essay with a mark of 85% or more with a focus on beef cattle.

P1027	<a href="#">MLA Sheep Welfare Science Prize</a>	1
-------	---	---

Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest proficiency in the Animal Welfare Science Essay with a mark of 85% or more with a focus on sheep.

**Faculty:** N Veterinary Science

**Department:** N00 Veterinary Science Faculty

Prize Code	Prize Name / Conditions	No Of Awards
P1036	<b>Veterinary Science Foundation PhD Excellence Award</b>	2

Awarded annually to a PhD student in the Faculty of Veterinary Science who is awarded a PhD without significant emendations, where the examiners reports indicate excellence of work, as judged by the Sub-Dean for Postgraduate Education. Two prizes allowed.

P1181	<b>Equine Veterinarians Australia Welfare Science Prize</b>	1
-------	---	---

The Equine Veterinarians Australia Welfare Science Prize was established in 2006 by the Equine Veterinarians Australia, a professional body representing veterinarians who have a special interest in horses and the supply of veterinary services and advice to horse owners. Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest understanding of issues related to equine behaviour and welfare in the Animal Welfare Science Essay.

P1190	<b>Raymond Bullock Prize for Proficiency in Veterinary Anatomy in Year 1</b>	1
-------	--	---

Awarded to recognise outstanding performance in the area of veterinary anatomy in year 1 of the BVSc degree.

P1191	<b>McGarvie Smith Fund Prize</b>	1
-------	----------------------------------	---

Established in 2006, the prize is awarded annually to the most outstanding student in Rural Public Practice in the final year undergraduate class in Veterinary Science at the University of Sydney. The most outstanding student would be selected by the Unit of Study coordinator in consultation with colleagues, based on the quality of work completed for the unit of study and consideration of the supervisor report forms from the host supervisors.

P1289	<b>Hill's Pet Nutrition "Buddy" Award for Excellence in Small Animal Clinical Nutrition</b>	1
-------	---	---

Established in 2007 by Hills Pet Nutrition, in honour of Dr. Mark Morris, Snr, and his famous patient, Buddy.

This award recognises a veterinary student who has demonstrated superior ability to apply principles of small animal clinical nutrition in the practice of medicine and surgery.

P1319	<b>John Barnett Memorial Prize</b>	1
-------	------------------------------------	---

Established in 2009 as a memorial to one of Australia's greatest animal welfare scientist, Associate Professor John Barrett, who tragically died with his wife in the Victorian bushfires in February 2009. John Barnett was a founding member of the Animal Welfare Science Centre and an internationally recognised and respected scientist. The John Barnett Memorial Prize is awarded annually within the Faculty of Veterinary Science, University of Sydney, to a Bachelor of Animal Veterinary Bioscience student enrolled in ANSC3106 Animal Behaviour and Welfare Science 3, for the best animal welfare essay. Value: \$200 and a certificate.

P1368	<b>Cenvet Practice Management Award</b>	1

Awarded to the student who demonstrates the greatest proficiency in Professional Practice 2 (VERTS 2008), provided work is of sufficient merit. On recommendation by the Unit of Study Coordinator, to reward undergraduates who have gained an excellent understanding of veterinary practice management. Value: \$250 in the form of a Coles Myer voucher.

S0328	<b>John Gurner &amp; Frederick Ebsworth Scholarship in Chemistry</b>	1
-------	--	---

Founded in 1934 by a bequest of 1000 pounds from Rebecca Ann Ebsworth for the establishment of a scholarship to be called the John Gurner and Frederick Ebsworth Scholarship, in memory of her father and husband. Until 1974, one scholarship, valued at \$60, was awarded in the Faculty of Veterinary Science at the first year examination for proficiency in Chemistry, Physics and Biology. In 1974, it became possible to offer three scholarships, one to be awarded for proficiency in Chemistry, one for proficiency in Physics and one for proficiency in Biology at the first year examination in the Faculty of Veterinary Science. From 2000, the Scholarship in Physics is awarded for proficiency in Cell Biology 1A and the Scholarship in Biology is awarded for proficiency in Cell Biology 1B. The scholars are required to continue their studies with a view to graduation in Veterinary Science. Tenable for one year only.

S0332	<b>John Gurner &amp; Frederick Ebsworth Scholarship in Cell Biology 1A</b>	1
-------	--	---

Founded in 1934 by a bequest of 1000 pounds from Rebecca Ann Ebsworth for the establishment of a scholarship to be called the John Gurner and Frederick Ebsworth Scholarship, in memory of her father and husband. Established in 2004 and awarded annually to a final year student based on written reports submitted for VET5358, Rural Public Practice Rotation. The report should provide substantial evidence of applied knowledge of :

1. Key concepts related to disease in populations and

P0463	<a href="#">Cat Protection Society Prize for Feline Welfare Science</a>	1
-------	---	---

Established in 2004 by a donation of \$150 from the Cat Protection Society, to promote a greater understanding of issues related to domestic feline behaviour and welfare. Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest understanding of issues related to domestic feline behaviour and welfare in the Animal Welfare Science Essay.

P0464	<a href="#">Elsevier Prize for Exotic Animal Welfare Science</a>	1
-------	--	---

Established in 2004 by Elsevier Australia to promote a greater understanding of issues related to exotic animal behaviour and welfare. Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest understanding of issues related to exotic animal behaviour and welfare in the Animal Welfare Science Essay.  
Value: Book Voucher.

P0466	<a href="#">Veterinarian Magazine Prize for Written Communication</a>	35
-------	---	----

Established in 2004 by The Veterinarian magazine, to promote a greater understanding of issues related to animal behaviour and animal welfare science. Awarded annually to students enrolled in VETS3018 Animal Behaviour and Animal Welfare Science who demonstrate proficiency in the animal behaviour and animal welfare science essay. Value: One-years subscription to The Veterinarian magazine to all students receiving a high distinction, and the opportunity for up to three (3) of those students to have their essays published in The Veterinarian magazine and receive \$150.00 for the article, which would appear in The Veterinarian magazine with a headshot and brief biography.

P0467	<a href="#">Equine Veterinarians Association Prize</a>	1
-------	--	---

Formerly known as the Australian Equine Veterinary Association Prize in Medicine and Surgery, the prize is awarded annually on examination results to an undergraduate student who performs best in equine subjects. Value: First-year graduate subscription to EVA and set of Brain-Fallon Memorial Lectures.

P0661	<a href="#">RSPCA Australia Poultry Welfare Science Prize</a>	1
-------	---	---

Established in 2004 by a donation of \$3500 from RSPCA Australia. Awarded annually to the student enrolled in VETS3018 or ANSC3106 Animal Behaviour and Animal Welfare Science who demonstrates the greatest proficiency in the Animal Welfare Science essay relating to poultry welfare.
