University of Sydney Outstanding Achievement Scholarship

1. The University of Sydney Outstanding Achievement Scholarships are awarded to recipients with an outstanding performance in the NSW Higher School Certificate Examination or equivalent who:
   - are applying for a University of Sydney degree program through the UAC in the year they undertake the NSW ATAR or equivalent;
   - will enrol as a local student in a University of Sydney undergraduate degree or combined degree in the following year (subject to deferral. See 4.);

2. The Scholarships are worth $10,000 per year. The duration of the scholarship is the normal full-time duration of the recipient’s undergraduate degree (including combined degrees) course plus one additional honours year if an additional year is normally required for honours. Continuation of the Scholarship each year is dependent on continued enrolment and the recipient maintaining an excellent academic record, with an semesterly average mark of at least 75.

3. Each scholarship is offered for, and is tenable in, a specific degree program and is not transferable to another degree program, except with the permission of the Scholarships Office. If you transfer into a new degree, your scholarship duration will be the normal length of the new degree, reduced according to the scholarship payments you have already received.

4. A confirmed offer of a scholarship will normally be taken up by enrolment in the first year of a degree or combined degree program in the year for which the offer is made, however deferment of commencement of scholarship for up to one year is allowed.

5. The scholarship recipients must enrol full-time and in the agreed degree program during the tenure of their scholarship. Requests to hold the scholarship part-time will only be approved under exceptional circumstances such as a medical condition which limits the student’s capacity to undertake full-time study. Such requests must be approved by the Scholarships Office. Part Time students will be paid $2,500 per semester.

6. The Scholarships will be paid in two equal instalments in late March and late August each year.

7. The Scholarship shall be terminated if the recipient:
   - accepts another scholarship of equal or higher value;
   - fails to achieve an average mark of 75 in the agreed degree program;
   - enrolls part-time without the prior approval from the University to hold the scholarship part-time; or
   - withdraws from the agreed degree program.

8. Once terminated, a Scholarship will not be reinstated.
