Darwin, a philosophical discourse

Unit for History and Philosophy of Science (*)

University of Sydney

Science Meeting Room, Carslaw 450

July 9th 2009, 1.30-5 pm

Program:

Sean Dyde (Unit for HPS, Sydney): “Darwin on liberty”

Jean Gayon (Paris 1): “Sexual and natural selection”

Philippe Huneman (IHPST, Paris): “What does evolutionary theory explain? Darwinism, adaptation, form and diversity”

Dominic Murphy (HPS, Sydney) “Apes at Evensong: doing without providence after Darwin”

Charles Wolfe (HPS, Sydney), “Revisiting the metaphysics of transformism in the Radical Enlightenment”

(*) We gratefully acknowledge the support of the Ambassade de France, Canberra.
