

# UniServe SCIENCE 2002 CONFERENCE

As in 2001 this conference will have two strands:

1. a First Year Experience Discussion Forum on April 4, 2002
2. the Annual National Symposium entitled 'Scholarly Inquiry in Flexible Science Teaching and Learning' on April 5, 2002

(Note: this event was previously known as the UniServe Science Workshop)

## **First Year Experience Discussion Forum**

Thursday April 4, 2002

We invite you to suggest the topics you would like discussed at this annual event. Some suggestions from last year's participants: assessment; mechanisms for developing a coordinated approach to student skills development across a whole faculty or across several departments; and strategies for catering for diversity in the student population.

Please email your suggestions to [PhySciCH@mail.usyd.edu.au](mailto:PhySciCH@mail.usyd.edu.au)

## **Scholarly Inquiry in Flexible Science Teaching and Learning**

### *Call for Papers*

The Seventh Annual National Symposium will be held at  
**The University of Sydney**

on  
Friday April 5, 2002

UniServe Science invites expressions of interest from anyone who would like to present a paper or poster at this Annual National Symposium.

You are invited to submit an abstract of approximately 200 words by January 28, 2002. Acceptance of papers will be notified by February 4, 2002.

The abstract should be sent electronically to  
[PhySciCH@mail.usyd.edu.au](mailto:PhySciCH@mail.usyd.edu.au) or [BioSciCH@mail.usyd.edu.au](mailto:BioSciCH@mail.usyd.edu.au)

Successful presenters will be asked to submit the full paper by March 15, 2002 for refereeing before inclusion in the proceedings.

For information updates and online registration see the conference web page at
