> Off-campus: We have listed some of the local hotels/motels near Cumberland Campus, as well as some options nearer to the main (Camperdown) campus.

On campus temporary accommodation – Yannadah

Any student entitled to attend the Study Preparation Program may request to stay temporarily in ‘Yannadah’ before the SPP. Yannadah is available before the start of the SPP – from 1-15 July 2009 (inclusive). The minimum stay is one week. You may wish to extend your initial booking after you arrive. This is possible, but only until 15 July 2009.

The on-campus student residential building contains 39 single study bedrooms available to male and female students. Facilities include communal living, kitchen, dining and bathrooms. Coin operated laundry facilities are available.

All rooms are fully furnished as study bedrooms. Each resident is supplied with a desk, chair, desk lamp, heater, wardrobe, bed, mattress, pillow, blankets and bed linen. Residents should provide their own towels and iron. Cleaning of all common areas is carried out on a daily basis Monday to Friday. Bedrooms are cleaned weekly.

Fees

Accommodation fee is charged and payable in weekly blocks. The first week’s rental fee of $157 per week is payable in advance and must be paid by credit card to secure your room. It is non-refundable. Please note, no refund will be given if you stay for less than one week. Thereafter you may pay on a per night basis ($40 per night) or on a per week basis. No refunds will be given if you choose the “per week” option and vacate your room before the end of that week.

The fee of AUS$157.00 per week covers your accommodation only. There are no caterers providing meals during this period. The kitchen contains some cooking equipment and the cupboards will be stocked with some basic foods for you to use on arrival. You will be issued with basic cutlery/crockery items eg., cup, plates, bowl, knife, fork and spoon. These items will be in your room on arrival and are your responsibility.
They form part of the room inventory. There are plenty of food shops in the area and we will show you where you can buy your favourite kind of food. The Campus Canteen which serves snacks will be open.

Airport arrival information

Advise us of your arrival time:
All new students travelling to Sydney need to complete the Airport Arrivial Information form online at:
http://fmweb01.ucc.usyd.edu.au/issu/arrivals
showing your date and time of arrival.

The Airport Reception Programme will operate 7 days a week from 6am to 12noon and from 5pm to 11pm.
(These details will be confirmed by email when we acknowledge the receipt of your Airport Arrival Form). If we have this information, we can ensure that the Airport Arrivals Reception Desk will be staffed at the time of your arrival.

The Airport Arrivals Reception Desk
A consortium of universities of the State of New South Wales provide an Airport Arrivals Reception Desk to welcome new arrivals at the Sydney International Airport Terminal.
The Airport Arrivals Reception Desk is located next to the Tourism New South Wales Visitor Centre and the Airport Information Desk, in the corridor between Arrivals Gates A/B, and C/D. You will be given a welcome package at the Desk when you arrive.
Please note that this programme does not include transport to your accommodation.
You will NOT be individually met by University personnel at the airport.

What do I do on my arrival at the Airport?
When you report to the Desk you will be given a welcome package which contains the contact details of all temporary accommodation, advice on local transport and a map of the University. If you arrive outside the opening hours of the Meet and Greet Desk, the general Tourist and Information Desk will be happy to assist you.

Getting to Cumberland Campus

The Faculty of Health Sciences is located on Cumberland Campus, Lidcombe which is more than 17 kilometres west of the city and the main campus at Camperdown.

To get to our campus from the airport you will need to either:

1. Catch a taxi:
   Specify that you want the Cumberland Campus on East St, Lidcombe. The best route for the taxi to take is the motorway (M5) as it is the fastest and most direct route here. The taxi fare should be around $AUS 55-65. Pay the fare on the meter and there is no need to tip the driver.

2. Catch a train:
   Catch a train from the airport (marked as the green line on the train route map) to central Railway Station and transfer to a local train to Lidcombe (the purple line). From Lidcombe Station, catch a taxi or a bus down East St to gate 2 of the University Campus. (See map). This option would cost about $20. A taxi from Lidcombe station is about 3 minutes and should cost no more than about $5-$7. It takes approximately 20-30 minutes to walk to campus from the station.

Bus service from Lidcombe station:
915 - Lidcombe station to TAFE/ University
(For the period of 02/01/2008 – 03/03/2008)
915 buses travel along East Street and terminate at the campus bus stop just inside Gate 2, near the Administration Building, then return to Lidcombe Station
Operates every 15 minutes between: 7.15am – 9.15am and 3.30am – 5.15pm
During semester time 915 operates between 7.15am and 6.00pm on weekdays.
Buses run every 7 minutes in peak morning and afternoon periods during lecture weeks.

Cumberland Campus and area maps
For area and campus maps, see:
www.fhs.usyd.edu.au/contact/ getthere.shtml

Arrival later than 16 July 2009
The beginning of the Study Preparation Program offers an important opportunity to gain valuable orientation information, to meet key staff members and enrol in your course. If you are not able to attend from the first day please ensure that you come to the Student Service office in A Block on your first day on Campus so that we can provide you with important information and direct you to late enrolment.

Finding permanent accommodation
ISSU cannot find and rent permanent accommodation for you but the International Student Counsellor on Cumberland Campus will be available to assist you during the Study Preparation Program with accommodation related information. Also the Housing Officer, located at Camperdown Campus will be available to help you in your search after you arrive in Sydney, up until the beginning of semester.

Housing Information Sessions are held daily at Camperdown Campus. See www.usyd.edu.au/stuserv/documents/issu/2008/01/things todo.pdf
If you arrive after the first week of semester, the University Accommodation Service will help you look for permanent accommodation.

Try to arrive as early as possible before the Orientation Program and before the start of lectures so that you are settled into accommodation before studies begin. Finding permanent accommodation may take some time as the rental market is currently very competitive.

For more information about finding permanent accommodation, download the ‘Finding a Place to Live’ publication at www.usyd.edu.au/stuserv/issu. Please note that this publication should be read in conjunction with this booklet, as not all information will be relevant to Cumberland Campus students.

Some accommodation options
Boarding houses range from fairly large commercial properties to average sized houses run by private citizens. Full board (which includes meals), room with use of facilities, or room only are available. Cost of utilities is included. Phone call costs are not included.

Apartments/flats/shared houses: costs will vary according to the location. Inner city living and beach-side is the most expensive. Students usually share costs by living together in a house, each with a private bedroom and sharing common facilities such as kitchen, bathrooms, living space. See rental website for details of current rates.

Rental Bond: Whatever style of rental accommodation you choose, you will be required to pay a security bond of 4 weeks rent, as well as pay for rent 2-4 weeks in advance.

Cost of Utilities: Please take account of the extra cost of the use of electricity, the telephone and gas on top of your rent. Most houses will already have one phone line installed. However, there may be a fee to pay to have the line reconnected.

Full board accommodation/homestay:
Some students select full board accommodation. Full board consists of a single room in a private home where the householder provides meals for you, and you share the life of the family. This is a good way for international students to improve their English and learn about Australian culture.

Note: costs are estimates only.
House-sitting

Sometimes it is possible to find low-cost or even cost-free short-term accommodation in return for services. Some home owners who are going away on leave, sometimes for up to 6 months, want to have their pets looked after and their gardens cared for while they are away. In order to minimise the risk of burglary of an obviously unattended house, these people take on house-sitters who will provide those services while staying rent-free (but paying for the use of utilities such as phones etc). This kind of an arrangement is based on a clear undertaking of responsibility towards the owners’ property and beloved animals. May suit couples/families. Previous experience/verifiable references are essential. (See list below).

Internet access and IT information

These labs give students and staff access to printing, scanning, internet access, word processing, and expert staff assistance. Cumberland’s Computer Access Lab is located in B Block. After enrolment you will receive your “Unikey” and access to your own My Uni account. Orientation will include information on using these services. The non-semester opening times are listed below:

Monday–Friday 7.30am–6.00pm – Supervisor on Duty 10:00am–5:00pm

Clinical Placements

During your course at the Faculty of Health Science you may be required to complete clinical training in the NSW hospital system. While undertaking that training, you will be subject to guidelines and procedures laid down for health workers in the system by the NSW Department of Health. These include criminal record checks and health issues relating to infectious diseases, such as HIV and Hepatitis B virus (HBV).

Below are some requirements you will need to meet before undertaking clinical experience:

Medical and Vaccinations

The NSW Department of Health requires that prior to beginning a placement you “provide acceptable evidence of protection against specified infectious diseases, including written records of vaccinations, signed by the provider and/or serological confirmation of protection”. For more details: www.health.nsw.gov.au/policies/pd/2007/pdf/PD2007_006.pdf (refer to Appendix 4). The University Health Services site also details vaccination requirements: www.unihealth.usyd.edu.au.

Criminal Records Checks

For any students who undertake clinical experience, a criminal records check is required by the NSW Health Department and must be completed at enrolment. You will receive the appropriate form as part of your enrolment package.

NSW Child Protection (Prohibited Employment) Act
