FAQ Website

Theses containing publications

Marie McInnes, USyd
Rationale

• Librarians getting queries from HDR candidates
• Supervisors cannot always answer HDR candidates’ queries
• Distance students cannot attend workshops
• Confusing variety of policies or lack of policy
Unique Features

• Issues identified from 6 workshops
• Models from 40 recent theses across disciplines
• Live links to theses (with permission)
• Feedback → more Q&As, changes, additions
Most Frequent Qs

- What does a thesis look like?
- How does it all fit together?
- How can I avoid duplication in the various literature reviews?
- How can I broaden the overarching discussion?
