# 2012 CALENDARS

## UNIVERSITY, FACULTY AND PERSONAL

Start 2012 with your own customised calendar. Choose from our three variations to brighten up your walls.

The University Publishing Service (UPS) featured product of the month is 2012 calendars. You can choose a standard fixed University calendar or customise your own calendar for your Faculty, School or personal use.

There are many great reasons for a Faculty or personal calendar: images of all the events you have held over the year; images of your the staff; or show your favourite photos or your baby's first year. Choose your favourite photos to customise your calendar. You can also add 12 customised dates to highlight events, seminars, conference that will take place in 2012, or perhaps include family birthdays.

To get started all you have to do is supply 12 photos, in digital format, photo captions and 12 dates to create you very own customised photo calendar.
