Terms and Conditions:

The Client agrees to release and keep released the University for and in respect of all causes of action, suits, proceedings, claims, demands, costs, expenses and liability whatsoever which the Client may have at any time in the future have against the University, arising from or relating in any way to the provision of the Testing Services.

The University shall ensure that the Testing Services are provided with the due care, diligence and skill reasonably expected of professional persons providing services of the kind described. The University makes no other warranty or assurances with respect to the Testing Services or any other work carried out in relation to this Agreement or to its quality, accuracy or suitability for any purpose.

Subject to any contrary provision in any law of the Commonwealth of Australia or any State or Territory the University's total liability to the Client for any loss or damage arising directly or indirectly from or in connection with the provision of the Testing Services or any other matter arising there from shall be limited, at the sole discretion of The University to either the provision of the Testing Services again or the payment to others to perform the Testing Services again or the refund of the fee paid or payable for the provision of the Consultancy Services.

Notwithstanding any other provision herein the University shall not be liable and the Client releases the University for and in respect of all claims for consequential, indirect or special damages including but not limited to loss of business profits, anticipatory profits, business interruption or loss of business information.
