OTHER PRESENTATIONS

Devonshire E, and Forsyth H. (2007) Postgraduate coursework in health sciences: The challenges of providing relevant and accessible professional development at a distance EdHealth Conference 07, University of Sydney

Windsor PA (2007) Research projects in farm animal health at the University of Sydney; opportunities to collaborate. Presentation to Regional DPI and RLPB Technical Meeting. Yass RLPB, March 21, 2007

Windsor PA (2007) Portfolio planning, risk-reward, opportunistic luck & collaborative serendipity: not the sharemarket but bridges on a veterinary pathway. Invited inspirational speaker. Post graduate Conference, Faculty of Veterinary Science, University of Sydney, October, 2007

REPORTS

Windsor PA. (2007) Progress report on visit to Laos and Cambodia from July 8 to 15th, for SRA AH2006/077, ‘Identifying research priorities for the development for the beef industry in Cambodia and Lao PDR with special reference to animal health interventions’. Australian Center for International Agricultural Research, July 18 2007

2006

REFEREED JOURNAL PAPERS

Go J., Lancaster M., Dece K., Dhungyel O., Whittington R. (2006). The molecular epidemiology of iridovirus in Murray cod (Macquullochella peeli peeli) and dwarf gourami (Colisa lalia) from distant biogeographical regions suggests a link between trade in ornamental fish and emerging iridoviral diseases. Molecular and Cellular Probes 20: 212-222.

CONFERENCES

Schembri, N and Toribio, JA. and Holyoake, PK. 2006 Lifetime identification of weaner pigs in Australia. The University of Sydney Faculty of Veterinary Science Postgraduate Conference 2006 Camden, Australia.

Schembri, N and Toribio, JA, Sithole, F and Holyoake, PK. 2006 Management practices of pork producers in peri-urban and regional areas that potentiate the risk of exotic disease introduction and dissemination. Proceedings of the Australian Association of Pig Veterinarians 2006 - Melbourne, Australia.

Windsor PA (2006) Report to ACIAR on animal health and production project scoping trip to Laos, March 6 to 10. Australian Center for International Agricultural Research, March.

Windsor PA (2006) Keep the farm gate open, but how? Conference on enhancing the extramural training experience for 5th year veterinary science interns, Partner Practices Seminar, University of Sydney, Faculty of Veterinary Science, July 2006.

Windsor PA (2006) Integration of research led teaching in ruminant veterinary medicine and rural public practice for improved outcomes in veterinary public health. Showcase on Research led Teaching, Faculty of Sciences, University of Sydney, 2 November 2006.
