Ground rules

› Challenge by choice
› What happens in your SOLE stays in your SOLE

What is your mindset?

Mingle Mingle

› Walk amongst each other saying “Mingle mingle mingle”
› When you hear the bell, stop and find someone near you to talk with
› Introduce yourself and ask the question shown
› Start mingling again when the bell rings
› This will be repeated four times with a different question each time
› At the end you will be asked to quickly form groups of 10 with the people near you
Questions – one of these will be asked each time the bell rings:
- What is your favourite movie?
- What is a food you can’t stand?
- How many brothers and sisters do you have?
- Where did you go on your last holiday?
