

S . O . L . E .

Faculty of Veterinary Science

The University of Sydney

Supporting Partner

Sydney Orientation and Leadership Experience (SOLE) programme

Orientation

- A series of informational presentations and tours around the campus

Leadership

- A series of interactive sessions designed to start you thinking about important skills you can develop

What we hope you get out of SOLE

Orientation

An introduction to :

- The physical resources of the Faculty and University
- Your peers and senior students
- Faculty staff you will interact with in year 1 and beyond
- Student support structures within the Faculty and University

What we hope you get out of SOLE

Leadership

- know yourselves better
 - self awareness
 - identify your strengths and weaknesses
- more aware of others
- interact and communicate effectively with others

Outcomes for students and Faculty

- During your study:
 - A community of scholars
 - Self motivating students
 - Reflective students who have open and honest communication with themselves and others
 - Maximisation of learning outcomes from group work

Outcomes for students and Faculty

- After graduation:
 - Students who are leaders
 - They will be of influence in society but remember their alma mater and the support provided by companies such as Hills!

Enjoy!

- The more you put in, the more you will get out of the experience
- Faculty and senior students are excited about working with you over the next 2 days
- Please listen to and follow instructions!
