THE MASTER OF TEACHING SCHOLARSHIPS IN MATHEMATICS AND PHYSICS - 2015
(Co-funded by the Faculty of Education and Social Work and the Faculty of Science)

Note
* This scholarship is only available to Faculty of Science, University of Sydney graduates and currently enrolled Master of Teaching students, in the Faculty of Education and Social Work.

This application for scholarship does not constitute an application of admission to the degree. Contact the relevant faculty for information about admission.

Privacy
The personal information that you supply on this form will be used to assess your eligibility for scholarships. It may be used to keep you updated about course information and admissions. Successful candidates may be named in University publications and promotional material.

Conditions of Award 2015

1. The Master of Teaching Scholarships in Mathematics and Physics are offered as follows:
   - Tenable for the normal full-time duration of the degree (to a maximum of two years) and valued at $6,000 per year.

2. Applicants will be assessed on their academic record to that degree and other measures of merit, including the personal statement.

3. The Master of Teaching Scholarships in Mathematics and Physics are awarded to recipients who:
   - are citizens or permanent residents of Australia;
   - are graduates or graduands of the Faculty of Science, University of Sydney;
   - will enrol in the Master of Teaching; and
   - intend to commence their studies in 2015.

4. The duration of the Scholarship shall be up to two years (including the 4th semester internship, if undertaken).

5. Continuation of the Scholarship each year is dependent on the recipient maintaining satisfactory progress. Where marks are recorded, an average mark of at least 75, that is, at Distinction level, will be required. Where no marks are recorded, students will be required to satisfy the requirements of all units of study undertaken.

6. Each Scholarship is offered for, and is tenable in, a specific degree program and major and is not transferable to another degree program or major.

7. A confirmed offer of a Scholarship must be taken up by enrolment in the first year of the nominated degree program in the year for which the offer is made. No deferment of enrolment or Scholarship is allowed.

8. Scholarship recipients must enrol full-time and in the agreed degree program during the tenure of their Scholarship. Requests to hold the Scholarship part-time will only be approved under exceptional circumstances, such as a medical condition which limits the student's capacity to undertake full-time study. Such requests must be supported by the Dean of the Faculty.

9. The Master of Teaching Scholarships in Mathematics and Physics will be paid in two equal instalments in late March and late August each year, subject to continued enrolment and satisfactory performance (as per paragraph 5. above).

10. The Master of Teaching Scholarships in Mathematics and Physics shall be terminated if the recipient:
    - accepts another scholarship or bursary of equal or higher value;
    - fails to achieve either an average mark of 75 (where marks are recorded) or satisfy the requirements of all units of study (where no marks are recorded) in the agreed degree program;
    - enrols part-time without the prior approval from the University to hold the Scholarship part-time; or
    - withdraws from the agreed degree program.

11. Once terminated, a scholarship will not be reinstated.
