What to Bring to Enrolment:

- Offer Letter
- Tax File number (for FEE-Help/HECS)
- Photo Identification: Drivers Licence, Passport, Proof of Age card
- Pen

Step 1: INFORMATION DESK

Collect your Enrolment package from the Science Information Desk on level 1.

If your offer contains conditions such as presenting original documentation, please have this documentation ready for photocopying and verification.

If you do not produce the required documents TODAY you will not be able to enrol today.

Step 2: COMPLETE YOUR FORMS – coursework students

- CHOOSE your Units of Study for both Semester 1 and Semester 2
- WRITE your unit of study choices on your Enrolment Form
- Complete the statistical information on the form
- Check that your personal information is correct
- Read the information provided on FEE-Help

Students enrolling in the Master of Nutrition and Dietetics or DCP/MSc programs are required to complete the following forms:
- Criminal Records Check:
- Prohibited Employment Declaration Form
- Adult Vaccination Record Card (take these forms)
- Student Declaration Form

PLEASE CHECK THAT YOU ARE ENROLLING INTO THE CORRECT DEGREE: it is your responsibility to ensure that all details of your enrolment are correct, and you will be financially liable for any uncorrected errors.

All students must refer to the relevant section of the 2012 Science Faculty Handbook in relation to the award course they are enrolling into, before completing the enrolment form and proceeding to Step 3. The 2012 Handbook is currently available online at http://sydney.edu.au/handbooks/science/. In some programs, Units of Study are strictly prescribed; in others, it may be possible to undertake a Unit of Study from another discipline area. Check with your program coordinator. The Associate Dean of Postgraduate Coursework, gives final approval in such cases.

To complete your FEE-HELP form

Students who have been offered a full fee place are required to pay their fees up front, or to submit an application for FEE-HELP (if you are an eligible domestic student). If you are applying for FEE-HELP please ensure you read the FEE-HELP Information 2012 before completing your FEE-HELP Application form. If you are paying up front there is no need to complete a FEE-HELP Application.

NB:
Student s who have been awarded a merit place are required to complete the Commonwealth Assistance form.
Step 2: COMPLETE YOUR FORMS - research students

PLEASE CHECK THAT YOUR SCHOOL / DEPARTMENT AND ATTENDANCE PATTERN ARE CORRECT: it is your responsibility to ensure that all details of your enrolment are correct. Please also ensure that you complete and sign the Candidate’s Declaration in which you will certify the following:

- that you are not enrolled in any other University degree / award program, nor do you intend to do so throughout the course of this candidature.

- that you have attached evidence of abandonment of the degree in which you were enrolled. (Transferring Research candidates must provide evidence of abandonment of the degree at the other institution.)

- that you agree that the University may obtain official records from any university or other institution previously attended by you.

Step 3: CHECK DESK

Go to the Check Desk with your completed Enrolment Form and (if you are an eligible domestic student) with your Fee-Help form if applicable.

Step 4: DATA ENTRY

Have your unit of study choices entered onto the University’s records system.

STAGE 2 - STUDENT CENTRE – Level 1, New Law School Annex

After you have finished your Faculty enrolment go straight to Level 1 to finalise the rest. Please note that in 2012, the University is using a post-enrolment invoicing system – you will be invoiced for your fees within 7 working days of enrolling. You are not required to make payment on enrolment day. Note if you enrol on the 27th July please go to Level 3, Jane Foss Russell Building rather than Level 1 New Law School Annex.

Students who wish to pay fees in person can do so either on enrolment day or any other time at the Cashiers Office, Level 3, Jane Foss Russell Building.

STAGE 3- SUBMIT YOUR STUDENT CARD APPLICAITON

By the end of stage two of enrolment you should have received an information card which tells you how to apply for your student card. This involves uploading your photograph and submitting a travel concession declaration (if eligible) within 48 hours of completing your enrolment (Stage 2). Once the photograph is approved your will be sent an email at your University email address advising you where and when to collect your card and what identification you need to bring.

Your Student Card is your University ID card. You need to carry your Student Card with you at all times while you’re on campus and display it when you sit formal examinations. Besides using your Student Card as your University ID, you can also use it for travel concessions (if you’re eligible), borrowing library books, printing and photocopying, student discounts, after-hours access to buildings (with relevant faculty staff approval).

### VARIATION TO CANDIDATURE (COURSEWORK)

**Enrolment Variations for Coursework Students**

If you change your mind after enrolment, you may vary your enrolment on the Web (MyUni), or in person at the Faculty of Science. **HOWEVER**, you can only add Units of Study up until the end of week 2 of the Semester. You may withdraw up until the HECS Census Date ie: 31st August for Semester 2 withdrawal.

**NB: ALL variations to Candidature MUST** be submitted by the Census Date in each semester. Requests received after Census Date will **NOT BE CONSIDERED FOR THE CURRENT SEMESTER**, and you will be financially liable for the enrolment recorded at the Census date.

**Candidates who wish to Suspend:**

- Fill out the form (available on the Web at http://www.science.usyd.edu.au/cstudent/pg/forms.shtml or at the Faculty of Science Office).
- Complete the form, **obtain the approval of your program co-ordinator** and submit the form to the Faculty Office. You will be notified in writing of the outcome of your request and your candidature will be varied accordingly.

  *NB: If you do not obtain this approval prior to handing the form in to the Faculty Office, the application will not be considered.* All matters pertaining to candidature, including the correct completion of forms and the signing thereof, are the responsibility of the candidate.

Also note, Suspensions may be granted for up to 2 semesters, i.e 1 year, for the duration of your candidature.

### INFORMATION FOR LATER - COURSEWORK

**Changing units of study after enrolment**

You can change your enrolment via MyUni until the end of week 1 of semester. See MyUni for more information about making alterations to your enrolment at [http://myuni.usyd.edu.au/](http://myuni.usyd.edu.au/)

It is important to note that Commonwealth Government legislation and University policy impose strict administrative deadlines for variation of enrolment. Please pay careful attention to the dates listed below for the latest dates to withdraw, discontinue without failure, and discontinue.

Fee liability for Domestic Coursework students
If you withdraw from a unit of study before the HECS census date for the semester in which it is taught, you will not be required to pay fees or incur a FEE-Help or HECS-HELP debt for that unit. If you discontinue from a unit of study after the HECS census date for the semester in which it is taught, you will need to pay tuition fees, or you will incur a FEE-Help debt or HECS-HELP debt if you are a Commonwealth-supported student.

Academic transcripts: withdrawal and discontinuation
Units of study from which you withdraw will not appear on your official academic transcript. The grades of DNF and DF are listed against units of study if you discontinue without failure or discontinue, respectively. When calculating a SciWAM, the Faculty of Science regards the grade of DF as a Fail with a mark of zero.

VARIATION TO CANDIDATURE (RESEARCH)

ALL variations to Candidature MUST be submitted by the Census Date in each semester. Requests received after Census Date will NOT BE CONSIDERED FOR THE CURRENT SEMESTER.

If you submit a late application for Variation to Candidature, your Scholarship and your candidature may be compromised: PLEASE NOTE - you MUST notify the Scholarships Office, SEPERATELY, of any variation you make to your candidature. Submitting an application to the Faculty Office does NOT constitute notification to the Scholarships Office.

Candidates who wish to Suspend (or apply for a Leave of Absence if less than a semester), Transfer from full-time to part-time, Transfer from part-time to full-time, Withdraw, Extend their candidature or Count time/ Complete away, must:

- Fill out the appropriate variation of candidature form (available on the Web at http://www.science.usyd.edu.au/cstudent/pg/forms.shtml or at the Faculty of Science Office).
- Complete both sides of the form, obtain the approval of your supervisor and Head of School* and submit the form to the Faculty Office. You will be notified in writing of the outcome of your request and your candidature will be varied accordingly.
- Notify the Scholarships Office of any variations to candidature which may have implications for funding.

Upgrade
Students wishing to be considered for an upgrade from a Master of Science to a Doctor of Philosophy must complete an Upgrade to PhD form. Obtain the approval of your supervisor and Head of School* and return the form to the Faculty.

For further information on upgrading please contact the Faculty of Science Office.
*NB: If you do not obtain this approval prior to handing the form in to the Faculty Office, the application will not be considered. All matters pertaining to candidature, including the correct completion of forms and the signing thereof, are the responsibility of the candidate.

Under no circumstances should you ask or rely on any teaching staff to process your variation to candidature on your behalf.

**CONFIRMATION OF ENROLMENT**

**IMPORTANT INFORMATION**

Within two weeks of enrolment, a Confirmation of Enrolment form is posted to each student by the University’s Student Centre. A Confirmation of Enrolment is also sent automatically to students each time they make a variation of their enrolment. Please ensure that your address on the student system is always up to date. **If you change address then you are required to update your address** through MyUni or go to the University’s Student Centre and fill out a change of address form: otherwise the University will send your information to the incorrect address. **YOU MUST ALSO ACTIVATE AND ACCESS YOUR UNIVERSITY EMAIL ACCOUNT AS ALL IMPORTANT INFORMATION IS CONVEYED TO STUDENTS VIA THIS EMAIL ADDRESS.**

You should check your enrolment record on the MyUni website to confirm that your variation or enrolment has been processed. If it has and you did not receive a Confirmation of Enrolment, please contact the Student Centre to confirm that they have the correct address details recorded for you and to request a replacement Confirmation of Enrolment. If your enrolment or variation has not been processed, please contact the Faculty immediately.

**NB:** Any Variations to Enrolment **MUST** be **PROCESSED BY THE CENSUS DATE : 31st March 2012 for Semester 1 and 31st August 2012 for Semester 2 variations.**
Your attention is drawn to the following extract from the Academic Board Policy regarding Student Code of Conduct, which can be found in full at http://www.usyd.edu.au/ab/policies/Student_code_conduct.pdf

4. Personal conduct
All students must:
• treat all employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students with respect, dignity, impartiality, courtesy and sensitivity;
• maintain a cooperative and collaborative approach to inter-personal relationships;
• act honestly and ethically in their dealings with University employees, honorary appointees, consultants, contractors, volunteers, any other members of the public and other students;
• respect the privacy of employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students;
• ensure that they do not act in a manner that unnecessarily or unreasonably impedes the ability of employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students to carry out their study, research or work at the University, including in the University of Sydney Library, lecture theatres and laboratories;
• ensure that they do not act in a manner that unnecessarily or unreasonably impedes the ability of employees, honorary appointees, consultants, contractors, volunteers any other members of the public or other students to access or use the resources of the University, including the University of Sydney Library resources, lecture theatres and laboratories; and
• ensure that they do not become involved in or encourage discrimination against or harassment or bullying of employees, honorary appointees, consultants, contractors, volunteers any other members of the public or other students.

5. Academic Conduct
All students must:
• ensure that their enrolment and progress in their award course is lawful and consistent with the statutes, rule and resolutions of the University of Sydney. Students must not enrol in additional units of study outside the degree resolutions even if the student information system allows it when enrolling on-line. It is a student’s responsibility to maintain current information in the student information system, and observe key dates and deadlines;
• read all official correspondence from the University, including email;
• act ethically and honestly in the preparation, conduct, submission and publication of academic work, and during all forms of assessment, including formal examinations and informal tests;
• avoid any activity or behaviour that would unfairly advantage or disadvantage another student academically;
• conform to the University’s requirements for working with humans, animals and biohazards;
• behave professionally, ethically and respectfully in all dealings with the University’s learning partners during extramural placements and practicums; and
• use University resources, including information and communication technology resources, in a lawful and ethical manner and for University purposes only, unless express permission has been granted for non-University or private usage.
FREQUENTLY ASKED QUESTIONS

What if I’m unsure about which units of study I want to do this semester?
Students are able to withdraw from Semester 2 units of Study up until the Census date 31st August 2012. If you change your mind after enrolment, you may vary your Units of Study over the web, or in person at the Faculty of Science office. HOWEVER, you can only ADD Units of Study up until the end of Week 2 of the semester.

I do not meet the prerequisites for a selected Unit of Study
To enrol in a Unit of Study for which you do not meet the prerequisites you must obtain special permission from the department and the Faculty of Science.

I want to do a Unit of Study not normally Associated with my degree / program
In some programs, Units of Study are strictly prescribed; in others, it may be possible to undertake a Unit of Study from another discipline area. Check with your course co-ordinator. The Associate Dean, Postgraduate Coursework, gives final approval in such cases.

What are the Withdrawal and Discontinuation Dates?
There are various penalties associated with discontinuing from a unit of study after a certain date. You should be aware that the following definitions apply to variations of enrolment made by students who are considered local (ie, permanent residents of Australia, citizen of Australia and citizen of New Zealand):

WITHDRAWAL: No academic or financial penalty.

DISCONTINUE - Not to count as failure - DNF: No academic penalty, BUT you remain liable for the relevant fees. (You may, however, be able to recoup this amount under certain circumstances. For further details, please contact the HECS AND FEES Office in the Student Centre during the semester of study concerned)

DISCONTINUE – Fail: You will be automatically assigned a mark of fail (graded DF on your academic record) for that UoS. You will, in addition, be liable for the relevant fee liability for that Unit of Study.

The various deadlines for changing your choice of Units of Study in 2012 have been included in this enrolment guide and are also available in the Faculty Handbook for 2012.

COURSEWORK FEE-HELP

Loan facility for eligible students who are enrolled in fee-paying, postgraduate non-research courses.

If you were using the Postgraduate Education Loan Scheme (PELS) to pay your tuition fees, or if you are commencing your degree in 2005 or beyond, the introduction of the Higher Education Loan Programme (HELP) may affect you. From 1 January 2005, PELS was subsumed into FEE-HELP. Generally, if you received a PELS loan you will be able to access FEE-HELP under the same eligibility requirements as PELS.

For information please go to http://www.goingtouni.gov.au/ or refer to the blue FEE-HELP booklet.

Refund of Local Course Fees
If you are a Local coursework postgraduate student, you may be eligible to apply for a refund of fees / cancellation of your debt, if you are unable to continue with your study because of special circumstances and the relevant Census date has passed. Please note: if you withdrew from your studies before the Census date, you have not incurred a debt for the particular semester.
FULL FEE PAYING CANDIDATES METHOD OF PAYMENT

1. Students who have been offered a full fee place will be issued with an invoice after enrolment. Payment advice will be provided with the invoice.

2. **Part-time students** should check how many credit points they are studying in each semester to determine costs.

Refunds for withdrawals and discontinuations from local Fee Paying Postgraduate award courses and local Fee Paying Postgraduate non-award programs

**Policy**

1. The University imposes the following policies with respect to the refund of fees paid for local fee paying postgraduate award courses and postgraduate fee paying non-award programs.

2. Students who **withdraw** (*) from a fee paying postgraduate award course or a postgraduate fee paying non award program before the start of a semester but subsequent to enrolment will be reimbursed 100% of the tuition fee paid.

3. Students who **withdraw** (*) from a fee paying postgraduate award course or a postgraduate fee paying non award program after the commencement of teaching but before 31 March or 31 August in the February or July Semester (the DEST census date) will be reimbursed 100% of the tuition fee paid.

4. No refunds are payable in respect of a particular semester to students who **discontinue** (**) from a fee paying postgraduate degree, graduate diploma or graduate certificate or a postgraduate fee paying non degree program.

5. Students who **withdraw** (*) from February or July semester units of study prior to the relevant census date will be refunded 100% of the tuition fee for those units.

6. No refunds are payable in respect of the **discontinuation** (**) of a semester long unit of study.

7. If a variation of a student’s enrolment before the DEST census date results in a change of part-time/full-time status then any appropriate reduction with respect to compulsory subscriptions will be refunded in full.

* **Withdraw** – to cease studies in a unit or units of study and/or award course at any time subsequent to enrolment and prior to the close of business on the census date in either the March or July semester (31 March or 31 August).

** **Discontinue** – to cease studies in a unit or units of study and/or award course at any time during the semester subsequent to the relevant census date.

**Please note the HECS Census date for Semester 2, 2012 is 31st August 2012.**
Faculty Handbook

The Faculty of Science Handbook is an essential resource for all students. It provides further information and clear guidelines and advice to assist in successful progression through your postgraduate studies, including detailed information on award course requirements.

The 2011 Handbook is currently available online at http://sydney.edu.au/handbooks/handbooks_admin/science.shtml

Faculty Website

You will be able to find the details of most procedures and forms on the Faculty of Science website: http://sydney.edu.au/science/cstudent/pg/forms.shtml

RESEARCH TRAINING SCHEME (RTS)

All new domestic research candidates for 2012 have been allocated a place under the Commonwealth Research Training Scheme (RTS). The maximum duration of a RTS place is 2 years full-time or part-time equivalent for a Masters student, and 4 years full-time or part-time equivalent for a Doctoral student.

Research Training Scheme Guidelines

It is recommended that all candidates read the Research Training Scheme Guidelines. The guidelines can be found at the following website: http://www.innovation.gov.au/Research/ResearchBlockGrants/Pages/ResearchTrainingScheme.aspx

REGISTRATION FOR MY UNI

MyUni is a web based system that contains much that you will need to use as a student at the University of Sydney. Your UniKey login name and password give you access to all available electronic student services such as:

- Access to Your MyUni Account
- Access to Your Central student email account
- Varying your enrolment
- Checking your timetable
- Paying library fines
- Purchasing course notes
- Using WebCT
- Checking your exam results
- Using computers in the ICT Access Labs
- Setting up wireless or off-campus internet access on your laptop or PC

When can I Register?

- To register onto MyUni you need your UniKey and password.
- For most students, your UniKey is set up before your enrolment papers are printed, and the details are included on your enrolment page.
- If your UniKey has been set up today, it will take 24 hours for the details to be passed to the MyUni system and you will be able to register then.
If you have no UniKey, please see the lab support staff members for assistance.

**Steps to Register to MyUni**

- On the University homepage click the “USYDnet” icon.
- At the USYDnet (University of Sydney Intranet) front page, click on “My Uni” in the middle of the blue bar.
- If this is your first login to MyUni you will be taken to the “User Authentication” page.
- Enter your UniKey and password, then click “Continue”. Click “Continue” again if you see a Security Information window.
- Click “I Agree” after reading the conditions of use of MyUni.
- You now see the “New User Registration” page. You may select your preferred Title, Faculty and choose to keep your email address private. REMEMBER: If you register with the incorrect Faculty, and want to change it, you must see the lab support staff member to have it changed.
- Check that the student number listed is your own. If it is incorrect, please see the lab support staff member.
- Click on “Continue”. If the browser asks whether to accept cookies from MyUni, accept them.
- Congratulations, you have now successfully registered for MyUni.
- Clicking “Continue” will take you to your MyUni Screen.
