

Publications for Tihomir Ancev

2019

Nguyen Duc, K., Ancev, T., Randall, A. (2019). Evidence of climatic change in Vietnam: Some implications for agricultural production. *Journal of Environmental Management*, 231(Feb 2019), 524-545. [More Information]

Nguyen, M., Ancev, T., Randall, A. (2019). Forest governance and economic values of forest ecosystem services in Vietnam. *Land Use Policy*, In Press. [More Information]

Csereklyei, Z., Qu, S., Ancev, T. (2019). The effect of wind and solar power generation on wholesale electricity prices in Australia. *Energy Policy*, 131(August 2019), 358-369. [More Information]

2018

Ancev, T., Merrett, D. (2018). Security Bonding in Unconventional Gas Development: Evidence from an Economic Experiment. *Ecological Economics*, 153, 139-146. [More Information]

2017

Jahan, H., Ancev, T. (2017). Environmentally adjusted efficiency of shrimp farming in Bangladesh. In T. Ancev, M. A. Samad Azad and F. Hernandez-Sancho (Eds.), *New Directions in Productivity Measurement and Efficiency Analysis: Counting the Environment and Natural Resources*, (pp. 249-274). Cheltenham: Edward Elgar Publishing. [More Information]

Ancev, T., Azad, M., Akter, M. (2017). Environmentally adjusted productivity and efficiency: A review of concepts, methods and empirical work. In T. Ancev, M. A. Samad Azad and F. Hernandez-Sancho (Eds.), *New Directions in Productivity Measurement and Efficiency Analysis: Counting the Environment and Natural Resources*, (pp. 9-58). Cheltenham: Edward Elgar Publishing. [More Information]

Ancev, T., Azad, M., Hernandez-Sancho, F. (2017). Introduction. In T. Ancev, M. A. Samad Azad and F. Hernandez-Sancho (Eds.), *New Directions in Productivity Measurement and Efficiency Analysis: Counting the Environment and Natural Resources*, (pp. 1-8). Cheltenham: Edward Elgar Publishing. [More Information]

Ancev, T., Azad, S., Hernandez-Sancho, F. (2017). *New Directions in Productivity Measurement and Efficiency Analysis: Counting the Environment and Natural Resources*. Cheltenham: Edward Elgar Publishing. [More Information]

Ancev, T., Azad, M., Hernandez-Sancho, F. (2017). The Role

of Multinationals in Providing Water Services - Are they more efficient? In Julien Chaise (Eds.), *Charting the Water Regulatory Future : Issues, Challenges and Directions*, (pp. 321-342). Cheltenham: Edward Elgar Publishing. [More Information]

2016

Azad, M., Ancev, T. (2016). Economics of Salinity Effects from Irrigated Cotton: An Efficiency Analysis. *Water Economics and Policy*, 2(1), 1-24. [More Information]

Rogers, A., Ancev, T., Whelan, B. (2016). Flat earth economics and site-specific crop management: how flat is flat? *Precision Agriculture*, 17(1 (February)), 108-120. [More Information]

2015

Azad, M., Ancev, T., Hernandez-Sancho, F. (2015). Efficient Water Use for Sustainable Irrigation Industry. *Water Resources Management*, 29(5), 1683-1696. [More Information]

Ancev, T., Azad, M. (2015). Evaluation of Salinity Offset Programs in Australia. In Manuel Lago, Jaroslav Mysiak, Carlos M Gomez, Gonzalo Delacamara, Maziotis Alex (Eds.), *Use of Economic Instruments in Water Policy: Insights from International Experience*, (pp. 235-248). Cham: Springer. [More Information]

Ancev, T. (2015). The role of the commonwealth environmental water holder in annual water allocation markets. *Australian Journal of Agricultural and Resource Economics*, 59(1), 133-153. [More Information]

Ancev, T. (2015). Water Markets, Environmental Flows, and Adaptation to Climate Change. *Water Economics and Policy*, 1(3), 1-20. [More Information]

2014

Ancev, T., Bernold, E., Baltaduonis, R., Capon, T., Reeson, A. (2014). Abatement Investment Decisions under Alternative Emissions Regulation: An Experimental Investigation. *Fifth World Congress of Environmental and Resource Economists*, Istanbul, Turkey: World Congress of Environmental and Resource Economists.

Manandhar, R., Odeh, I., Ancev, T. (2014). Assessment of Spatial-Temporal Expansion of Built-up and Residential-Commercial Dwellings with Some Economic Implications: A Case Study in the Lower Hunter of Eastern Australia. *Land*, 3(1), 239-259. [More Information]

Rahman, M., Ancev, T. (2014). Economic analysis of alternative pollution abatement policies: the case of Buriganga

River, Bangladesh. *Interdisciplinary Environmental Review*, 15(1), 66-87. [More Information]

Contreras, Z., Ancev, T., Betz, R. (2014). Evaluation of Environmental Taxation on Multiple Air Pollutants in the Electricity Generation Sector - Evidence from New South Wales, Australia. *Economics of Energy and Environmental Policy*, 3(2), 119-143. [More Information]

Ancev, T. (2014). Evaluation of Salinity Offset Programs in Australia. *International Salinity Forum*.

Azad, M., Ancev, T. (2014). Luenberger Environmental Indicator: A New Approach to Measuring Productivity and Efficiency. *2014 Asia-Pacific Productivity Conference*, Brisbane: Centre for Efficiency and Productivity Analysis (CEPA).

Azad, M., Ancev, T. (2014). Measuring environmental efficiency of agricultural water use: A Luenberger environmental indicator. *Journal of Environmental Management*, 145, 314-320. [More Information]

Ancev, T., Azad, M. (2014). NEW DIRECTION OF LUENBERGER PRODUCTIVITY INDICATOR FOR ENVIRONMENTAL EFFICIENCY MEASUREMENT. *58th National AARES Conference*, Canberra, ACT: Australian Agricultural and Resource Economics Society (AARES).

Ancev, T., Jahan, H. (2014). Productivity Growth in the Shrimp Farming Industry of Bangladesh: A Luenberger Productivity Indicator Approach. *17th International Conference of the International Institute of Fisheries Economics & Trade (IIFET)*, Queensland: International Institute of Fisheries Economics & Trade (IIEFT).

Ancev, T., Zhu, L. (2014). The Effect of Carbon Pricing Regime on Australia's Electricity Financial Market. *58th National AARES Conference*, Canberra, ACT: Australian Agricultural and Resource Economics Society (AARES).

Azad, M., Ancev, T. (2014). Using Luenberger Environmental Indicator to Measure Environmental Efficiency of Agricultural Water Use. *11th Annual Meeting of the International Water Resource Economics Consortium (IWREC)*, Washington: The University of British Columbia.

2012

Lee, L., Ancev, T., Vervoort, R. (2012). Evaluation of environmental policies targeting irrigated agriculture: The case of the Mooki catchment, Australia. *Agricultural Water Management*, 109(June 2012), 107-116. [More Information]

Tan, D., Odeh, I., Ancev, T. (2012). Potential biodiesel crops for marginal land in Australia. *16th Australian Agronomy Conference 2012*, Armidale, NSW: The Regional Institute Ltd.

Ancev, T., Betz, R., Contreras, Z. (2012). The New South Wales load based licensing scheme for NOx: Lessons learnt after a decade of operation. *Ecological Economics*, 80(August), 70-78. [More Information]

2011

Fulai, S., Flomenhoft, G., Downs, T., Grande-Ortiz, A., Graef, D., Scholtens, B., Mol, A., Sonnenfeld, D., Spaargaren, G.,

Goel, R., Ancev, T., et al (2011). "Is the concept of a green economy a useful way of framing policy discussions and policymaking to promote sustainable development?". *Natural Resources Forum*, 35(1), 63-72. [More Information]

Gray, E., Ancev, T., Drynan, R. (2011). Coexistence of GM and non-GM crops with endogenously determined separation. *Ecological Economics*, 70(12), 2486-2493. [More Information]

Ancev, T. (2011). Economics of Nutrient Pollution Management in a Catchment and in a Lake. *55th Australian Agricultural & Resource Economics Society Annual Conference AARES 2011*, Melbourne: Australian Agricultural and Resource Economics Society.

Ancev, T. (2011). Multiyear versus single-year drought: A comment on Peck and Adams. *Australian Journal of Agricultural and Resource Economics*, 55(3), 451-453. [More Information]

Ancev, T. (2011). Policy Considerations for Mandating Agriculture in a Greenhouse Gas Emissions Trading Scheme. *Applied Economic Perspectives and Policy*, 33(1), 99-115. [More Information]

Ancev, T. (2011). Policy Considerations for Mandating Agriculture in a Greenhouse Gas Emissions Trading Scheme: Reply. *Applied Economic Perspectives and Policy*, 33(4), 668-672. [More Information]

Odeh, I., Tan, D., Ancev, T. (2011). Potential Suitability and Viability of Selected Biodiesel Crops in Australian Marginal Agricultural Lands Under Current and Future Climates. *BioEnergy Research*, 4(3), 165-179. [More Information]

2010

Pradhan, D., Ancev, T., Drynan, R., Harris, M. (2010). Management of Water Reservoirs (Embungs) in West Timor, Indonesia. *Water Resources Management*, 25, 339-356. [More Information]

Ancev, T., Azad, M. (2010). Saving water for the environment: Incorporating ecological characteristics in the Environmental Performance Index. *Forth World Congress of Environmental and Resource Economics (WCERE 2010)*, Montreal: World Congress of Environmental and Resource Economists.

Ancev, T., Azad, M., Den, D., Harris, M. (2010). Technical Efficiency of Shrimp Farms in Mekong Delta, Vietnam. In Volker Beckmann, Nguyen Huu Dung, Xiaoping Shi, Max Spoor and Justus Wessler (Eds.), *Economic Transition and Natural Resource Management in East and Southeast Asia*, (pp. 141-159). Aachen, Germany: Shaker Verlag GmbH.

Azad, M., Ancev, T. (2010). Using ecological indices to measure economic and environmental performance of irrigated agriculture. *Ecological Economics*, 69(8), 1731-1739. [More Information]

2009

Manandhar, R., Odeh, I., Ancev, T. (2009). Improving the Accuracy of Land Use and Land Cover Classification of

Landsat Data Using Post-Classification Enhancement. *Remote Sensing*, 1(3), 330-344. [More Information]

Betz, R., Sanderson, T., Ancev, T. (2009). In or out: efficient inclusion of installations in an emissions trading scheme? *Journal of Regulatory Economics*, 37(2), 162-179. [More Information]

Ancev, T. (2009). Learning about economic valuation of the environment using online simulations. *International Conference on ICTs in Education*, Canada.

Easdown, D., Ougrinovskaia, A., Saunders, N., Warren, D., Ancev, T., Bishop, T., Mansfield, S. (2009). Learning and Teaching in Summer: Is it better and why? *UniServe Science, The University of Sydney Conference 2009*, Australia: Uniserve Science.

Manandhar, R., Odeh, I., Ancev, T. (2009). Modelling of Spatio-Temporal Expansion of Built-up and Residential-Commercial Dwellings and Their SocioEconomic Implications in the Lower Hunter of NSW, Australia. *Surveying & Spatial Sciences Institute Biennial International Conference Adelaide 2009 SSC 2009*, Australia: Spatial Sciences Institute.

Lee, L., Ancev, T. (2009). Two Decades of Murray-Darling Water Management: A River of Funding, a Trickle of Achievement. *Agenda: a journal of policy analysis and reform*, 16(1), 5-23.

Sanderson, T., Ancev, T., Betz, R. (2009). Uniform Standard or Emissions Trading: What is the efficient coverage of companies? *European Association of Environmental and Resource Economics, 17th Annual Conference*, Amsterdam: Vrije Universiteit Brussel.

2008

Ancev, T. (2008). All Costs Considered: Should Agriculture be a Part of a National ETS? *Farm Policy Journal*, 5(4), 21-29.

Ancev, T., Lifran, R., Tan, N. (2008). Cost-effective abatement of pollution from agricultural sources classified in risk classes. *13th World Water Congress*, Montpellier, France.

Spencer, T., Ancev, T., Connor, J. (2008). Improving Cost Effectiveness of Irrigation Zoning for Salinity Mitigation by Introducing Offsets. *Water Resources Management*, Online, 1-16. [More Information]

Azad, M., Liem, M., Ancev, T., Lee, L. (2008). Measuring Environmental Performance of Irrigated Cotton Enterprises. *52nd Australian Agricultural & Resource Economics Society Annual Conference AARES 2008*, Australia: Australian Agricultural and Resource Economics Society.

Sanderson, T., Ancev, T., Betz, R. (2008). Optimal coverage of installations in a Carbon Emission Trading Scheme (ETS). *52nd Australian Agricultural & Resource Economics Society Annual Conference AARES 2008*, Australia: Australian Agricultural and Resource Economics Society.

2007

Lee, L., Ancev, T., Vervoort, R. (2007). Environmental and economic impacts of water scarcity and market reform on the Mooki catchment. *The Environmentalist*, 27(1), 39-49. [More Information]

Rogers, D., Ancev, T., McBratney, A., Minasny, B. (2007). Incorporating economic criteria into the optimal delineation of management zones. *6th European Conference on Precision*

Agriculture (6ECPA) & 3rd European Conference on Precision Livestock Farming (3ECPF) 2007, Wageningen, the Netherlands: Wageningen Academic Publishers. [More Information]

Ancev, T., Vervoort, R. (2007). The national plan for water security: Taking over the role of the market? *Connections: Farm, Food and Resource Issues*, 2007 (Paper 18).

Betz, R., Ancev, T. (2007). Who to Include: Efficient Coverage of Emitters in GHG Tradable Permit Systems. *30th IAEE International Conference*, US: International Association for Energy Economics.

2006

Ancev, T., Stoecker, A. (2006). Economic Analysis of an Irrigation System for Liquid Manure Application. *Journal of Irrigation and Drainage Engineering*, 132(4), 399-405. [More Information]

Betz, R., Ancev, T. (2006). Emissions Trading: How to Determine the Efficient Coverage? *29th IAEE International Conference*.

Ancev, T., Betz, R. (2006). Load-Based Licensing: Getting the rates right. *35th Australian Conference of Economists ACE 2006*, Perth, Australia: Curtin University of Technology.

Spencer, T., Ancev, T. (2006). Offsetting with salinity credits: An alternative to irrigation zoning. *26th Conference of the International Association of Agricultural Economists 2006*. International Association of Agricultural Economists.

Ancev, T. (2006). Optimality of pre-empting regulations on natural resource use. *Australian Economic Papers*, 45(2), 169-178.

Taylor, J., Short, M., Rogers, D., Ancev, T., McBratney, A. (2006). *Scoping study to assess the application of precision agriculture for vegetable production. Report to Horticulture Australia Ltd. project VG05060 60p.*

Ancev, T., Stoecker, A., Storm, D., White, M. (2006). The Economics of Efficient Phosphorus Abatement in a Watershed. *Journal of Agricultural and Resource Economics*, 31(3), 529-548. [More Information]

2005

Harris, M., Ancev, T. (2005). Alternative Approaches to Congestion Externalities: The place of Social Norms in Pigouvian and Coasean Traditions. *AARES Conference*.

Ancev, T., Whelan, B., McBratney, A. (2005). Evaluating the benefits from precision agriculture: the economics of meeting traceability requirements and environmental targets. *5th European Conference on Precision Agriculture 2005*, The Netherlands: Wageningen Academic Publishers.

Ancev, T., Taylor, J. (2005). From sowing to selling - PA techniques' whole-of-farm promise. *Ground Cover*, 58.

McBratney, A., Whelan, B., Ancev, T. (2005). Future Directions of Precision Agriculture. *Precision Agriculture*, 6(1), 7-23. [More Information]

2004

Ancev, T., Vervoort, R., Odeh, I. (2004). Economic Evaluation Of Watershed Management Options In The Irrigated Cotton Areas Of The Upper Murray-Darling Basin In New South Wales, Australia. *Supersoil 2004, the 3rd Joint Conference of*

Australian and New Zealand Soil Science Societies, Sydney, Australia: The Regional Institute Ltd.

Ancev, T. (2004). *Economics Of Precision Agriculture. 8th Australian Symposium on Precision Agriculture, Sydney (August)*. Sydney Australia.

McBratney, A., Bouma, J., Whelan, B., Ancev, T. (2004). *Future Directions Of Precision Agriculture In Most Of The World. AuSHS Conference Coolum Queensland*. University of Melbourne.

Ancev, T., Whelan, B., McBratney, A. (2004). *On The Economics Of Precision Agriculture: Technical, Informational And Environmental Aspects. 8th Australian Symposium on Precision Agriculture, Sydney (August)*. Sydney Australia.

Ancev, T., Harris, M. (2004). *Pigou And Coase Re-Revisited: Ethics, Norms, And Markets - Implications For Environmental And Resource Economics". 33rd Australian Conference of Economists ACE 2004*, Oxford, England: Blackwell Press.
