

Government Information (Public Access) Act – Disclosure Log 2018

Section 25:

An agency must keep a record (called its disclosure log) that records information about access applications made to the agency that the agency decides by deciding to provide access (to some or all of the information applied for) if the information is information that the agency considers may be of interest to other members of the public.

Section 26:

(3) *An agency is not required to include in its disclosure log information about any application:*

- (a) for personal information about the applicant (the applicant being an individual), or*
- (b) in respect of which any factors particular to the applicant were otherwise a consideration in the agency's determination of the public interest in connection with the disclosure of the information to the applicant.*

| File No | Date of decision | Description of the information provided | Whether the information is available to other members of the public and how it may be accessed |
