7. Entries must be received by the Promoter during the Competition Period. Entrants may submit up to the maximum number of entries specified in Part A. Multiple entries (where permitted) must be submitted separately and if the Competition requires the submission of a creative work, each entry by the same entrant must be unique and original. If an entrant submits multiple entries in excess of the permitted maximum, only the entry or entries most recently submitted (up to the permitted maximum) will be accepted by the Promoter.
8. If entrants are invited to answer a question, send in comments, photos and/or videos (or other multimedia) as part of their entry, each entry must be an original work by the entrant and the entrant must have obtained the permission from all persons appearing in photos/videos and property owners to enter this competition in accordance with the Terms. Each entrant warrants that their entry is not, and its use by the Promoter or other persons will not infringe the rights (including intellectual property rights) of any third party.
