

Inspired Giving 2016

Donor honour roll

In recognition of our supporters

Thank you to all our donors

The University of Sydney's honour roll recognises the alumni, friends, organisations, foundations, individuals and estates who gave their generous support during 2016.

We would also like to acknowledge the many anonymous donors who contributed to our success.

We are profoundly grateful for your confidence in us and your belief in our work.

Foundations

Foundations work in close association with faculties to provide support for teaching and research. Sometimes they are specifically aligned with departments or research centres.

The support of foundations is a crucial element in fostering new initiatives at the University and this assistance will continue to be important in a time of decreasing government funding for the university sector.

For information about the governance of foundations, please refer to the Office of General Counsel.

2016 foundations include

Accounting Foundation
Australian Lebanese Foundation
Celtic Studies Foundation
Chemical and Biomolecular Engineering Foundation
Civil Engineering Foundation
Dairy Research Foundation
Electrical and Information Engineering Foundation
Faculty of Pharmacy Foundation
Hoc Mai, the Australia Vietnam Medical Foundation
Inorganic Chemistry Foundation (name changed to 'Chemistry Foundation' from August 2016)
Near Eastern Archaeology Foundation
Nerve Research Foundation
Poultry Research Foundation
Power Institute, Foundation for Art and Visual Culture
Sydney Medical School Foundation
Sydney Peace Foundation
The Melanoma Foundation
University of Sydney Physics Foundation
University of Sydney Sport Foundation
Veterinary Science Foundation*

* This foundation still exists, though it is currently dormant.

Colleges

The residential colleges on our campuses are an important part of the University of Sydney experience, as they provide a safe and nurturing environment for many of our students.

In addition to accommodation, the colleges offer their residents pastoral support, scholarships, and opportunities to develop sporting, social, academic and leadership skills.

We appreciate the role colleges play in university life, and are especially grateful for the donations many of them make towards our shared goals.

2016 colleges
