					7
					6
					5
					4
					3
					2
					1
					0
				total	Correct

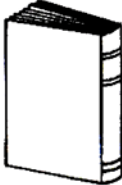

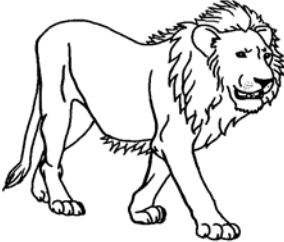

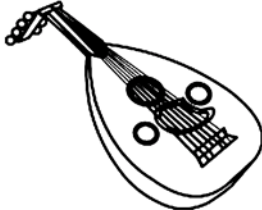

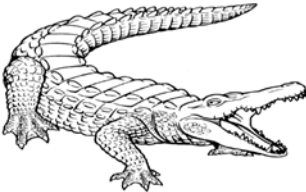

Animals:	Verbal Fluency:
----------	-----------------

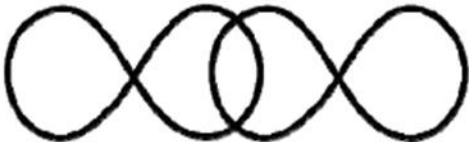

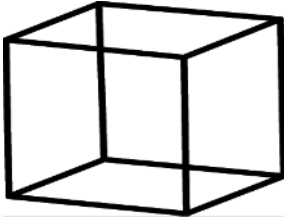

<p>"can you name all the animals you know, and identify the letter with which each animal begins?"</p>	<p>(0-7)</p>
--	--------------

Verbal Fluency:
(0-7)

[illegible]

Memory:				
Say: "I am going to give you a name and an address, and I would like you to repeat them after me. We will be doing that three times, so you have a chance to learn and memorize them. I am going to ask you about them later." Score only the third trial.				Score: (0-7) <input type="text"/>
	1 st trial	2 nd trial	3 rd trial	
Adel Ibrahim	
42 Sekit el Mathaf	
Tanta	
Al-Gharbia	
memory				
Who is the current president? Who is the current Prime Minister? Who is of the current USA president? Who is the Egyptian president who was assassinated in the 1980s?				Score: (0-4) <input type="text"/>
Language:				
Put a pencil and a paper before the person. For the practical experiment, ask the person to take the pencil first from the table then the paper. If he/she fails to do so, give him/her zero and don't proceed with the test. If he/she succeeds in the practical experiment, give him/her the three following orders: Ask him/her: "put the paper on the pencil" Ask him/her: "take the pencil and leave the paper" Ask him/her: "give me the pencil after you touch the paper with it" N.P: Put the pencil and the paper in front of the person before each order				Score: (0-3) <input type="text"/>
Language:				
Write two sentences or more about your last vacation (day out) or feast. Write full sentences and don't use abbreviation. Score 1 if he/she writes two complete sentences (or more) about one topic, and score 2 if the structure is correct.				Score: (0-2) <input type="text"/>
language:				
Repeat after me ' :salsabil' 'khoza'balat 'shahbandar' 'esteshfaa' Score 2 if they are all repeated correctly, score 1 if three are correct, and score 0 if two or less are correct.				Score: (0-2) <input type="text"/>

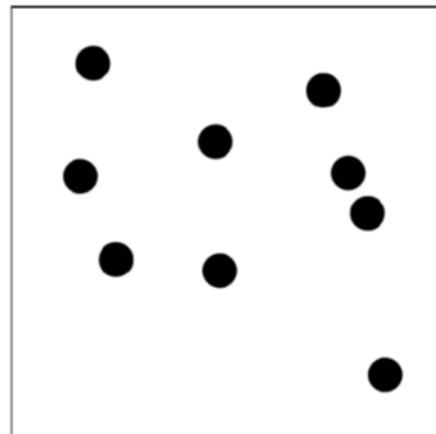

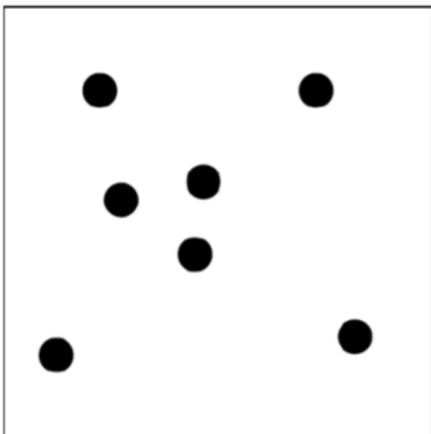

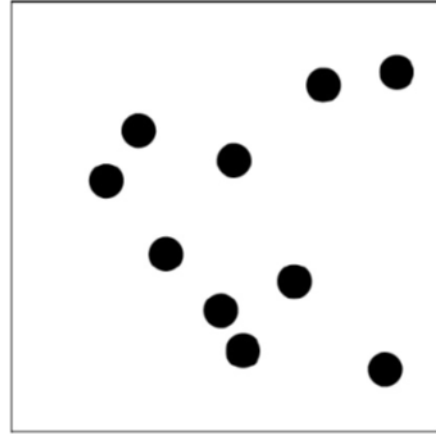

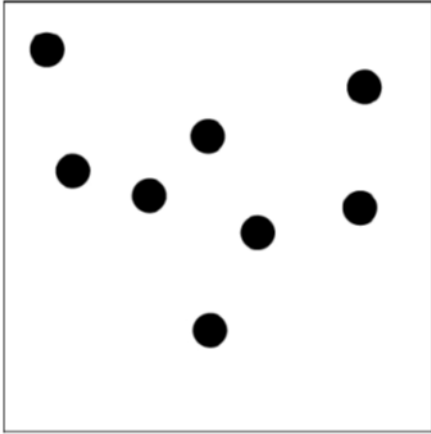

Language:	
Ask the person to repeat: "med le7afak 3ala ad regleik" - 'cut your coat according to your cloth'	Score: (0-1) <input type="text"/>
Ask the person to repeat: "eid lewa7daha ma tsa2fsh" - 'one hand alone cannot clap'	Score: (0-1) <input type="text"/>
Language:	
Ask the person to name the following pictures:	Score: (0-12) <input type="text"/>
<input type="text"/> 	<input type="text"/> 
<input type="text"/> 	<input type="text"/> 
<input type="text"/> 	<input type="text"/>

Wire cube:Ask the person to Copy this diagram (for scoring, see the instructions guide)	Score (0-2) <div style="border: 1px solid black; width: 40px; height: 20px; margin: 10px auto;"></div>
	
Clock: ask the person to Draw a clock with numbers and arms pointing to ten past five (For scoring, see the instructions guide: clock=1, numbers= 2, arms= 2 if all are correct)	Visuospatial Score (0-5) <div style="border: 1px solid black; width: 40px; height: 20px; margin: 10px auto;"></div>

visuospatial abilities

Ask the person to count the dots without pointing to them

(0-4)

Visuospatial abilities							
Ask the person to identify the letters						(0-4) <input type="text"/>	
							
							
Memory							
Ask "can you remember the name and address we've repeated at the beginning?"							
Ahmed Omar 42 Sekit Al Mathaf Tanta Al- Gharbia						Score (0-7) <input type="text"/>	
Memory							
This test should be done if the person fails to recall one or more of the previous items. If all the items are recalled, skip the test and score 5. If some items are only recalled, start ticking these items in the shadowed column on the right side, then test the items that were not recalled by saying: "OK, I will give you some hints: Was the name A, B or C ?" And so on. Score 1 point for each recognized item, and then add the score to the points gained by recalling.						Score (0-5) <input type="text"/>
