ADVICE REGARDING NOVEL CORONAVIRUS (n-CoV)

As more news related to the novel coronavirus is continuing to be revealed, the Psychology Clinic requests that if you have been:

(i) to Hubei Province, Wuhan city or mainland China in the last 14 days or
(ii) to Hubei Province, Wuhan city or mainland China in the last 14 days and are experiencing a FEVER, COUGH, SORE THROAT, or SHORTNESS OF BREATH; or
(iii) in contact with or live with anyone who has been to Hubei Province, Wuhan city or China in the last 14 days who has themselves developed a FEVER, COUGH, SORE THROAT, or SHORTNESS OF BREATH; or
(iv) in contact with a person who is confirmed to have n-CoV

Close contact is defined as living in the same household, 15 minutes face-to-face contact with a person with confirmed coronavirus in any setting, or sharing a closed space with a person with confirmed coronavirus for more than 2 hours.

Please:
- Do not book a new appointment.
- Call the Psychology Clinic to cancel a scheduled appointment.

Instead:
- Stay at home and call Healthdirect on 1800 022 222 to discuss what to do next.

You may contact the Psychology Clinic to reschedule your appointment for a time that you have been cleared by your medical practitioner. You may be asked to provide a medical certificate to re-attend the Clinic.

We ask for your help with the Clinic’s efforts to help mitigate the chance of infection via the practice. Your kind understanding is greatly appreciated. Please refer to the World Health Organisation, Australian Medical Association and Australian Government Health Reports for up-to-date and factual information. The infographic below summarises what you can do when you are in areas where there is a discernible risk:
