

Travelling on public transport to RMIT University – City Campus

myki

myki is your reusable travel card for trains, trams and buses in Melbourne and some regional services across Victoria. Choose myki Money if you travel occasionally, and top up as you go. Choose myki Pass if you travel often, and top up with consecutive days.

For information on public transport fares, and to use the fare calculator, visit ptv.vic.gov.au/myki

Buy your myki and top up at:

- over 800 myki retail outlets including all 7-Eleven stores
- myki machines at train stations, and premium tram and bus stops (full fare card sales only)
- PTV Hubs
- train station ticket offices
- on board a bus (\$20 max)

If you're planning ahead, visit ptv.vic.gov.au or call **1800 800 007**. Allow seven days for delivery of a new myki.

Free Tram Zone

Melbourne's Free Tram Zone includes the city centre and extends from Queen Victoria Market to Docklands, Spring Street, Flinders Street Station and Federation Square. If you're only travelling in the Free Tram Zone you don't need a myki. Melbourne University is outside the Free Tram Zone

Concession travel

If you're under 19 you can travel on a concession fare with a Child myki. If you're 17 or 18, you must carry government issued proof of age ID (such as a passport, drivers licence, proof of age card), or proof of another concession entitlement (such as a Health Care Card).

If you're a tertiary student studying a full time undergraduate course on campus, you can apply for a PTV Tertiary Student ID. This costs \$9 and allows you to use a Concession myki until 28 February next year. Download an application at ptv.vic.gov.au/students

If you're an international undergraduate student, you may be eligible to buy an annual iUSEpass which gives you half-price myki fares in the zones where you study. Visit ptv.vic.gov.au/iuse for more information.

If you're a postgraduate or part-time student, you're not eligible for concession fares. However, if you're on a low income, you may be eligible for a Health Care Card.

Night Network

Travel later and stay out longer on weekends with Night Network. We're running all night metropolitan trains, trams, late night buses, and a 2am coach service to key regional centres to help you get home after dark. Route 67 trams operate to and from the RMIT City Campus on weekends.
