FASS - 2017 PRINTING PRICELIST

Email: sca.print@sydney.edu.au
Location: SCA, Building 11, Room 18.

Fine Art Matte

**Ilford Fine Art Smooth** - This fine art paper has a smooth surface, white tone, and is buffered acid free. It comes in sizes up to 110cm x 300cm. This popular paper is ideal for photographic imagery and abstract works.

**German Etching** - A rich mould-made, textured watercolour paper that is buffered acid free with a natural white tone. It comes in sizes up to 110cm x 300cm. This paper is ideal for illustrative and painterly images.

**Canvas** - This pre-primed canvas is made from 50% cotton and 50% polyester, a perfect balance of durability and archivability. It is acid free, 400gsm. It has sizes up to 110cm x 350cm. This is ideal for over-painting.
