

TEACHING OPPORTUNITIES AT NORTHERN CLINICAL SCHOOL

YEAR 1

De Nguyen-Rashid, Education Support Officer, RNSH | de.nguyen-rashid@sydney.edu.au

Martin Crawford, Education Support Officer, Hornsby Ku-ring-gai Hospital (HKH) | martin.crawford@sydney.edu.au

Teaching activity	Brief Description	Time	Minimum preferred level
History Taking Tutorials	<p>Bedside teaching. Small groups of approx. 5-7 students. Tutor takes group to see patients on the ward, learning is based on topic of the week. Clinical skill guidelines will be provided to tutors</p>	<p>1.5 hours per week Tues or Wed (RNSH) Wed (Hornsby)</p>	PGY 2
Physical Examination Tutorials	<p>Bedside teaching. Small groups of approx. 5-7 students. Tutor takes group to see patients on the ward, learning is based on topic of the week, guidelines & equipment will be provided to tutors</p>	<p>1.5 hours per week Tues or Wed (RNSH) Wed (Hornsby)</p>	PGY 2
JMO Tutor Program	<p>Run in association with the DPET at Royal North Shore Hospital, designed to help Interns and Residents based at Royal North Shore Hospital develop their teaching skills. The initiative involves being “buddied” with a small group of 1st year medical students and meeting them approximately once a week for around an hour to develop their skills and confidence in speaking with patients and in getting to know how hospitals work. Feedback from students indicates that they really value contact with JMOs who can easily remember their own student days and who are very aware of what is relevant for students to learn</p>	<p>RNSH Tuesday or Wednesday Preferably once a week</p>	ONLY for PGY1 and PGY2

Teaching Opportunities at Northern Clinical School
