

Postgraduate study days
(last updated 8 February 2018)

The following timetables indicate the study days for postgraduate advanced study courses for semester 1 and semester 2 2019.

Some timetable details may change due to unexpected circumstances. This document will remain current so it's important to revisit these timetables if you have any doubt. You can also ask the course coordinator for your particular specialty area.

It is important to check your University of Sydney email account regularly, as this is the channel of communication from Sydney Nursing School, should there be any changes to the timetable.
