TABLE NOTES

The information published on this table is a guide only and subject to change. Entry requirements and other course details can vary from year to year and will not necessarily result in an offer of a place.

For the latest and most comprehensive course information, including assumed knowledge and prerequisites, refer to the University's 'Find a Course' website at

– sydney.edu.au/courses

This is not a comprehensive list of qualifications accepted by the University – for a full list of recognised senior secondary qualifications visit

– sydney.edu.au/ug-int-qualifications

Courses listed in this table are CRICOS-registered and available for full time study on a student visa, unless otherwise indicated with a ◊.

^ Teaching degrees: Bachelor of Education (Primary), Bachelor of Education (Health and Physical Education), and Bachelor of Music (Music Education)

The New South Wales Education Standards Authority (NESA) requires students entering these teaching degrees to achieve a minimum of three Band 5s in their NSW HSC, one of which must be English (English Standard or English Advanced). Similar requirements will be applied to the IB and other Australian Year 12 qualifications.

For other secondary qualifications, you need to achieve the minimum scores provided as a guide and get good results in English (the equivalent of English Standard or English Advanced). If you also need to meet English proficiency requirements through a test such as IELTS, you need to complete those requirements separately.
