## **Ms Doreen Moira Langley MBE**

At a conferring of degrees ceremony held in the Great Hall in 1986, the title of Honorary Fellow of the University was conferred upon Miss Doreen Moira Langley MBE.

Mis Langley, BSc GradDipNutr *Melb* DipCrim *Sydney*, was Principal of Women's College (1957-74) and Fellow of Senate (1969-1974). The College expanded greatly during her tenure: Reid wing was opened in 1957, and during the next 12 years the Langley wing was built, Williams wing was extended and the Menzies Common Room built, altogether enlarging the College threefold.
