HONOURS IN EUROPEAN STUDIES

Students majoring in European Studies will have covered a broad range of aspects of European life, from the societies and cultures of individual nations to the institutions and practices of the European Union. At Honours level in this interdisciplinary program, students are encouraged to explore those areas of Europe that have interested them most. This might involve tracing the intellectual history of an aspect of European civilisation, for example, or researching the development of EU policy on refugees in the wake of the crisis of 2015. The range of interdisciplinary approaches is broad, including social sciences, international relations, cultural, literary and film studies. You get the opportunity to undertake individual independent research on a thesis topic of your choice with specialist supervision from the staff of European Studies and the European languages. In addition, you undertake two coursework units, one in each semester of study:

Semester 1    EUST4113  Researching Europe: Methods and Concepts
Semester 2    EUST4114  Global Europe

Entry Requirements for Honours and Unit Descriptions of Honours Seminar and Thesis Units can be found in the Subject Area section for the Department of European Studies in the Arts and Social Sciences Undergraduate Handbook. Please also see the Sydney Courses Honours page for more information.

Enrolment

In the first instance you should discuss your intention to apply for Honours with the Honours Coordinator.

Once you have been accepted into the Honours program by the Honours Coordinator (or Coordinators for Joint Honours) please go to Sydney Courses and locate your Degree with Honours (e.g. Bachelor of Arts Honours). Click on ‘Apply’ on the right-hand side.

Please note: although there is a note below ‘Apply’ that indicates that the information is for prospective students, current students are also deemed ‘prospective students’ for Honours and therefore need to apply through Sydney Student.
