Honours

Entry Requirements for Honours and Unit Descriptions of Honours Seminar and Thesis Units can be found in the Subject Area section for the Department of European Studies in the Arts and Social Sciences Undergraduate Handbook. Please also see the Sydney Courses Honours page for more information.

Admission into the honours program requires completion of the major with an average of 70 percent or above including ASNS3690 Approaches to Research in Asian Studies. You may include one 6 credit point Japan-related Asian Studies unit of study.

Honours students are required to enrol in all four generic units of study: JPNS4011, JPNS4012, JPNS4013, and JPNS4014. An honours year is comprised of 40 percent coursework and 60 percent thesis. Coursework consists of two specific units of study.

The thesis is an 18,000-20,000 word original piece of research and writing using English and Japanese language sources appropriate to the student’s level of Japanese language proficiency.

Intending honours students must consult the department during Orientation Week regarding the coursework.

Enrolment

In the first instance you should discuss your intention to apply for Honours with the Honours Coordinator.

Once you have been accepted into the Honours program by the Honours Coordinator (or Coordinators for Joint Honours) please go to Sydney Courses and locate your Degree with Honours (e.g. Bachelor of Arts Honours). Click on ‘Apply’ on the right-hand side.

Please note: although there is a note below ‘Apply’ that indicates that the information is for prospective students, current students are also deemed ‘prospective students’ for Honours and therefore need to apply through Sydney Student.
