DEED POLL

Dear Student,

Commencement of the project is subject to you signing and returning the Deed Poll attached to this letter. You must sign the bottom of the page and will need an independent adult witness to sign next to your signature.

We ask that you pay particular attention to the following matters:

- **Policies.** You are required to comply with all the University’s policies and rules, which are available on our website at [http://sydney.edu.au/policies](http://sydney.edu.au/policies).

- **Confidentiality.** You are required to keep all confidential information of the University and the industry partner strictly confidential and must not deal with it in any way that might prejudice its confidentiality.

- **Publications.** You are not permitted to publish any material arising out of your project unless you have the written consent of your University supervisor. This is to ensure your compliance with any confidentiality requirements or other University obligations connected with the project.

- **Intellectual property.** As part of the terms of the project, you will need to assign to the University your rights in any intellectual property (IP) created by you in the course of the project. This is required so that such IP can be assigned by the University to the industry partner. This is a precondition of your participation.

Under the University’s IP Rule, you have a reasonable opportunity to review this letter and the Deed Poll before responding to the offer to undertake the project. You may choose to access legal advice including through the Student Representative Council. Please consider the acknowledgments in the Deed carefully and ask your supervisor or faculty advisors for more information if required. The University cannot give legal advice, but can provide you with further information about the relevant Industry partner or instructions about how to sign.

We wish you all the best with your project.
