June 2013

Call for Papers for the 2nd Australasian Conference for Undergraduate Research

The second Australasian Conference of Undergraduate Research is to be held at Macquarie University on 19-20 September 2013. This two-day conference will include poster presentations and spoken papers by undergraduate students from all disciplines and from across Australasia. For students, this is a great opportunity to meet students from other universities and share research findings.

Who is eligible to present?

- Undergraduate Students (all years)
- Master of Research Students (first year only)
- Honours Students who graduated in 2012

Submissions are due by 9am on Monday 1st of July 2013. See the [website](#) for further details.

Those interested in Research Enriched Learning and Teaching might wish to peruse the [ITL resources](#).
