WELCOME
I would like to extend a warm invitation to you to attend the University of Sydney’s Student ePortfolio Showcase (StePS) at the Sydney Conservatorium of Music. This is an exciting opportunity for you to see first-hand, how students from a variety of disciplines within the University of Sydney create and use their ePortfolios. You will also have the opportunity to ask students and staff about ePortfolios in their program of learning.

Dr Jennifer Rowley
Senior Lecturer in Music Education

SHARE AND LEARN
OLT PROJECT: ePORTFOLIOS FOR CREATIVE ARTS, MUSIC AND ARTS STUDENTS IN AUSTRALIAN UNIVERSITIES

ePortfolios in Creative and Performing Arts is a two year OLT funded national project that commenced in late 2011, led by Dr Jennifer Rowley.
This project extends the use of ePortfolios to undergraduate students in units of study at the Sydney Conservatorium of Music, University of Western Sydney, Queensland Conservatorium (Griffith University), Melbourne Graduate School of Education and Curtin University, by creating ePortfolio ‘templates’ that provide students with a capstone product of their learning. Creating an ePortfolio to document students’ academic and artistic learning outcomes for enhanced employability in the arts sector is a key objective.
This will be achieved through tailoring the design of templates for each specialization, training staff and students in these processes and embedding assessable components within the curriculum. The undertaking of cross institutional evaluations of the development of ePortfolio templates will assist in the integration of ePortfolios for Arts students at Australian universities.

GETTING HERE
The SCM is located near Circular Quay and is next to the Royal Botanic Gardens and gates to Government House. For more information on how to get here, please click here.
