Publications for Athman Bouguettaya

2019

2018

2017

Oriented Computing (ICSOC 17), Cham: Springer Nature.  <a href="http://dx.doi.org/10.1007/978-3-319-69035-3_18">[More Information]</a>

2016

Meta-path based service recommendation in heterogeneous information networks. 14th International Conference on Service-Oriented Computing (ICSOC 2016), Switzerland: Springer.  <a href="http://dx.doi.org/10.1007/978-3-319-46295-0_23">[More Information]</a>

2015

Service-Oriented Computing (ICSOC 2015), Berlin: Springer.

2014

2013

2012

2011

analysis for web service compositions based on probabilistic QoS. 9th International Conference on Service-Oriented Computing (ICSOC 2011), Berlin: Springer. <a href="http://dx.doi.org/10.1007/978-3-642-25535-9_4">[More Information]</a>

2010

2009

Sydney, Australia: Australian Computer Society.

2008

2004

Ouzzani, M., Bouguettaya, A. (2004). Efficient access to web services. IEEE Internet Computing, 8(2), 34-44.

2003

1999
