2019

2018

2017

2016

Uy, B., Hicks, S., Kang, W., Thai, H., Aslani, F. (2016). Australasian Advances in Steel-Concrete Composite Bridge and Building Structures. 8th International Conference on Steel And Aluminium Structures, Hong Kong: University of Hong Kong.

Uy, B. (2017). Future trends in the design and construction of steel and composite infrastructure. 4th World Congress on Exhibition on Construction & Steel Structure, USA.

2015

**2014**

Hicks, S., Uy, B. (2014). The new joint Australian and New Zealand Bridge Design Standard AS/NZS 5100 - Part 6: Steel...
and Composite Construction. 37th IABSE Symposium on Engineering for Progress, Nature and People, Madrid; Spain: International Association for Bridge and Structural Engineering.

2013

Remennikov, A., Kong, S., Uy, B. (2013). The response of...

**2012**

Uy, B. (2012). Behaviour and design of high strength steel-concrete composite columns. *11th International Conference on Steel Space and Composite Structures (2012)*, Qingdao; China: CI-Premier Pte Ltd.

Tao, Z., Han, L., Uy, B. (2012). Behaviour of concrete-filled stainless steel tubular columns at ambient and elevated temperatures. *11th International Conference on Steel Space and Composite Structures (2012)*, Qingdao; China: CI-Premier Pte Ltd.

**2011**

Uy, B., Zhu, X., Xiang, Y., Zou, J., Liyanapathirana, R.,...

2009

Uy, B. (2009). Behaviour and design of hollow and concrete filled steel columns subjected to impact loads. Sixth International Conference on Advances in Steel Structures, Hong Kong: Hong Kong Institute of Steel Construction.

2008

Uy, B., Mursi, M. (2008). Coupled Instabilities For Square Concrete Filled Steel Columns. Fifth International Conference on Coupled Instabilities in Metal Structures CIMS2008 (volume 1), Sydney, Australia: The University Publishing Service, University of Sydney.

2007

Uy, B. (2007). Steel-concrete composite structures: Australian applications, design, research and sustainable solutions. 9th International Conference on Steel, Space and Composite Structures (SS07), Yantai and Beijing: International Conference on Steel, Space and Composite Structures.
