2010

2009

Australasian Association for Engineering Education
AaeE 2007: Eighteenth Annual Conference of the
laboratories in engineering education: Trends in students'
(AWSOR 2007), Italy: AWSOR.
1st International workshop
Systems and Organisational Models. 1st International workshop
on aligning web systems and organisational requirements
(AWSOR 2007), Italy: AWSOR.
laboratories in engineering education: Trends in students’
perceptions. AaeE 2007: Eighteenth Annual Conference of the
Australasian Association for Engineering Education,
Melbourne Australia: Department of Computer Science and
Software Engineering, University of Melbourne.

2008
Analysing Web Systems Model Alignment. Fourteenth
Australasian World Wide Web Conference (2008), Lismore:
Southern Cross University Press.

Lowe, D., Johnston, A. (2008). Engineering admissions criteria:
focusing on ultimate professional success. World Association of
Cooperative Education (WACE), Sydney: Australian
Collaborative Education Network (ACEN).

Establishment reality vs maintenance reality: how real is real
enough? 36th Annual Conference of the European Society for
Engineering Education (SEFI 2008), Denmark: SEFI.

Experiences with a hybrid Architecture for Remote
Laboratories. 38th ASEE/IEEE Frontiers in Education
Conference (FiE 2008), Piscataway, New Jersey, USA: Institute of
Electrical and Electronics Engineers (IEEE), <<a
href="http://dx.doi.org/10.1109/FIE.2008.4720332">[More
Information]</a>>

Factors that impact learning outcomes in both simulation and
remote laboratories. ED-MEDIA 2008 World Conference on
Educational Multimedia, Hypermedia and Telecommunications
2008, Chesapeake VA, US: Association for the Advancement of
Computing in Education (AACE).

Reflecting Professional Reality in Remote Laboratory
Experiences. 5th International Conference on Remote
Engineering and Virtual Instrumentation (REV 2008),
Germany: REV.

Dependent Project for Change Impact Analysis in Web
Systems. Fourteenth Australasian World Wide Web
Conference (2008), Lismore: Southern Cross University Press.

Functional Requirements in Web System Projects. European
and Mediterranean Conference on Information Systems

Alexander, S., Harper, C., Anderson, T., Golja, T., Lowe, D.,
Towards a mapping of the field of e-learning. ED-MEDIA 2006
World Conference on Educational Multimedia, Hypermedia
and Telecommunications, Norfolk, USA: Association for the
Advancement of Computing in Education (AACE).

2005
Model and Its Application to Web Design. Journal of Digital
Information, 8(1), 1-29.

Systems and Organisational Models. 1st International workshop
on aligning web systems and organisational requirements
(AWSOR 2007), Italy: AWSOR.

laboratories in engineering education: Trends in students’
perceptions. AaeE 2007: Eighteenth Annual Conference of the
Australasian Association for Engineering Education,
Melbourne Australia: Department of Computer Science and
Software Engineering, University of Melbourne.

2006
Resolution on the Incremental Refinement of the System Scope
in Web System Development. 6th International Conference on
Web Engineering - ICWE 2006, USA: ICWE.

Construction: A Machine Learning Approach. 7th International
We-B Conference - Working for E-Business (2006), Australia:
We-B.

Development in China. 7th International We-B Conference -
Working for E-Business (2006), Australia: We-B.

Development in China. The Twelfth Australasian World Wide
Conference (AusWeb ’06), Qld, Australia: Southern Cross
University.

relative importance of specific skills and knowledge for career
performance, and perceptions about the extent to which their
course focuses on specific skills and knowledge. World
Association of Cooperative Education (WACE 2006), China:
World Association of Cooperative Education (WACE).

Functional Requirements in Web System Projects. European-
and Mediterranean Conference on Information Systems

Alexander, S., Harper, C., Anderson, T., Golja, T., Lowe, D.,
Towards a mapping of the field of e-learning. ED-MEDIA 2006
World Conference on Educational Multimedia, Hypermedia
and Telecommunications, Norfolk, USA: Association for the
Advancement of Computing in Education (AACE).

2004
A Lightweight Web Maintenance Methodology For Smes.
