2009

2010

2009

Lu, D., Zhao, W., Agelidis, V. (2009). Integrated photovoltaic-battery converter design for DC power system. AUPEC 09 19th Australasian Universities Power Engineering Conference, USA: (IEEE) Institute of Electrical and Electronics Engineers.

Fu, C., Lu, D. (2009). Shorting-inductor approach for dimming high power light-emitting diodes. PEDS2009 the 8th International conference on Power Electronics and Drive Systems, United States of America: (IEEE) Institute of Electrical and Electronics Engineers.

2008

**2007**

**2006**

**2005**

**2004**

Lu, D., Cheng, D., LEE, Y. (2004). Reduction of Current and...
Voltage Stresses in Single-Stage AC/DC Power Factor
Correction Converters with Reduced Repeated Power
Processing and Inherent Input Current Control. *Journal of

Control of Single-stage AC/DC PFC Converter. *35th Annual
USA: (IEEE) Institute of Electrical and Electronics Engineers.

2003

Factor Voltage Regulator with Reduced Intermediate Bus
Specialist Conference PESC 2003*, USA: (IEEE) Institute of
Electrical and Electronics Engineers.

Converter with Voltage Regulated Storage Capacitor. *IEEE
Power Electronics Letters*, 1(3), 1-5.

Continuous-Conduction-Mode Boost Converter with Reduced
Reverse-Recovery and Switching Losses. *IEEE Transactions
On Industrial Electronics*, 50(4), 767-776.

Single-Stage Single-Switch Power-Factor-Corrected Converter
with Direct Power Transfer. *IEICE Transactions on
Communications*, E86-B(12), 3606-3613.

Factor-Corrected Voltage Regulator with Reduced Intermediate
Bus Voltage Stress. *IEE Proceedings - Electric Power
Applications*, 150(5), 506-514.

Power-Factor-Corrected AC/DC Converter with Loosely
'03*, USA: (IEEE) Institute of Electrical and Electronics
Engineers.
