Publications for Robert Minasian

2018

2017

2016

Minasian, R., Yi, X., Li, L. (2016). Microwave photonic processing of high-speed microwave signals. *18th International Conference on Transparent Optical Networks (ICTON 2016)*, Piscataway: Institute of Electrical and Electronics Engineers (IEEE). 

Microwave photonic mixer based on stimulated Brillouin

2013

2012

Chan, E., Minasian, R. (2012). Microwave Photonic Downconverter

2011

Negative tap microwave photonic notch filter based on delayed self-wavelength conversion. *IEEE Transactions on Microwave Theory and Techniques*, 58(11), 3199-3205. 

2009

2008

2004
