2018

2017

2016

Francisco: International Federation of Robotics Research (IFRR).

2015

**2014**

2013

Science and Systems, Workshops, online: Robotics Science and Systems.

2012

2011

2010

2009

2007

Conference on robotics and Automation, New Zealand: Australian robotics and Automation Association (ARAA).

Thompson, P., Sukkarieh, S. (2006). Tracking Multiple Features including Cross-Feature Correlations, with Observation Parameter Uncertainties. 9th International Conference on Information Fusion (Fusion 2006), Florence, Italy: Institute of Electrical and Electronics Engineers (IEEE).

2005

2004

2003

2001
