Publications for Ying-Chang Liang

2018

2017

2016

Yang, G., Liang, Y. (2016). Backscatter Communications Over...
Ambient OFDM Signals: Transceiver Design and Performance Analysis. 
59TH IEEE Global Communications Conference (GLOBECOM 2016), Piscataway: Institute of Electrical and Electronics Engineers (IEEE). <a href="http://dx.doi.org/10.1109/GLOCOM.2016.7841620">[More Information]</a>

2015

2014

Pei, Y., Pham, T., Liang, Y. (2012). How many RF chains are optimal for large-scale MIMO systems when circuit power is considered? 2012 IEEE Global Communications Conference (GLOBECOM2012), Piscataway: Institute of Electrical and Electronics Engineers (IEEE). <a href="http://dx.doi.org/10.1109/GLOCOM.2012.6503720">[More Information]</a>

and Electronics Engineers (IEEE). <a href="http://dx.doi.org/10.1109/VETECS.2012.6240338">[More Information]</a>
