

## Publications for Claire Wylie

### 2019

Davison, J., Wylie, C., McGladdery, C., Fettes, C., Haggett, E., Ramzan, P. (2019). Airborne particulate size and concentrations in five Thoroughbred training yards in Newmarket (UK). *The Veterinary Journal*, 248, 48-50. <a href="http://dx.doi.org/10.1016/j.tvjl.2019.04.006">[More Information]</a>

Wylie, C., Cairns, R., Brown, J., Buckley, N. (2019). Human exposures to veterinary pharmaceutical products reported to Australia's largest poison information centre. *Clinical Toxicology*, , 1-13. <a href="http://dx.doi.org/10.1080/15563650.2019.1572180">[More Information]</a>

Pollard, D., Wylie, C., Verheyen, K., Newton, J. (2019). Identification of modifiable factors associated with owner-reported equine laminitis in Britain using a web-based cohort study approach. *BMC Veterinary Research*, 15(59), 1-12. <a href="http://dx.doi.org/10.1186/s12917-019-1798-8">[More Information]</a>

Pollard, D., Wylie, C., Newton, J., Verheyen, K. (2019). Incidence and clinical signs of owner-reported equine laminitis in a cohort of horses and ponies in Great Britain. *Equine Veterinary Journal*, In Press. <a href="http://dx.doi.org/10.1111/evj.13059">[More Information]</a>

Smith, L., Wylie, C., Palmer, L., Ramzan, P. (2019). Synovial sepsis is rare following intrasynovial medication in equine ambulatory practice. *Equine Veterinary Journal*, In Press. <a href="http://dx.doi.org/10.1111/evj.13063">[More Information]</a>

Egunsola, O., Wylie, C., Chitty, K., Buckley, N. (2019). Systematic Review of the Efficacy and Safety of Gabapentin and Pregabalin for Pain in Children and Adolescents. *Anesthesia and Analgesia*, 128(4), 811-819. <a href="http://dx.doi.org/10.1213/ANE.0000000000003936">[More Information]</a>

### 2018

Smith, L., Wylie, C., Palmer, L., Ramzan, P. (2018). A longitudinal study of fractures in 1488 Thoroughbred racehorses receiving intrasynovial medication: 2006-2011. *Equine Veterinary Journal*, 50(6), 774-780. <a href="http://dx.doi.org/10.1111/evj.12833">[More Information]</a>

Wylie, C., Newton, J. (2018). A systematic literature search to identify performance measure outcomes used in clinical studies of racehorses. *Equine Veterinary Journal*, 50(3), 304-311. <a href="http://dx.doi.org/10.1111/evj.12757">[More Information]</a>

Jocelyn, N., Wylie, C., Lean, M., Barrelet, A., Foote, A. (2018). Association of neutrophil morphology with bacterial isolates in equine tracheal wash samples. *Equine Veterinary Journal*, 50(6), 752-758. <a href="http://dx.doi.org/10.1111/evj.12837">[More Information]</a>

Colgate, V., Wylie, C., Barnett, T. (2018). Do Oral or Minimally Invasive Cheek Tooth Extraction Techniques Reduce the Incidence of Post-operative Complications in the Horse When Compared to Repulsion Methods? *Veterinary*

*Evidence*, 3(3), 1-27. <a href="http://dx.doi.org/10.18849/ve.v3i3.158">[More Information]</a>

Kinnison, T., Cardwell, J., Smith, K., Couetil, L., Wylie, C., Whiting, M., Roder, C. (2018). Equine lower airway disease. *The Veterinary Record*, 182(26), 748-749. <a href="http://dx.doi.org/10.1136/vr.k2761">[More Information]</a>

Kinnison, T., Cardwell, J., Smith, K., Couetil, L., Wylie, C., Whiting, M., Roder, C. (2018). Lower airway disease: Does research fit our practice needs? *Equine Veterinary Journal*, 50(5), 701. <a href="http://dx.doi.org/10.1111/evj.12988">[More Information]</a>

### 2017

Pollard, D., Wylie, C., Verheyen, K., Newton, J. (2017). Assessment of horse owners' ability to recognise equine laminitis: A cross-sectional study of 93 veterinary diagnosed cases in Great Britain. *Equine Veterinary Journal*, 49(6), 759-766. <a href="http://dx.doi.org/10.1111/evj.12704">[More Information]</a>

Wylie, C., Pollitt, C. (2017). In horses with chronic laminitis, do venograms compared to plain radiographs give greater diagnostic or prognostic information? *Veterinary Evidence*, 2(3), 1-10. <a href="http://dx.doi.org/10.18849/ve.v2i3.124">[More Information]</a>

Wylie, C., McManus, P., McDonald, C., Jorgensen, S., McGreevy, P. (2017). Thoroughbred fatality and associated jockey falls and injuries in races in New South Wales and the Australian Capital Territory, Australia: 2009½2014. *The Veterinary Journal*, 227, 1-7. <a href="http://dx.doi.org/10.1016/j.tvjl.2017.06.008">[More Information]</a>

### 2016

Wylie, C., Payne, R. (2016). A modified surgical technique for penile amputation and preputial ablation in the horse. *Equine Veterinary Education*, 28(5), 269-275. <a href="http://dx.doi.org/10.1111/eve.12363">[More Information]</a>

Robinson, C., Wylie, C., Compston, P., Payne, R. (2016). Alleviation of Epiphora by Canaliculostomy into the Caudal Maxillary Sinus in the Horse. *Veterinary Surgery*, 45(1), 115-120. <a href="http://dx.doi.org/10.1111/vsu.12424">[More Information]</a>

James, O., Payne, R., Bathe, A., Greet, T., Wylie, C. (2016). Arthroscopy of the Dorsal and Plantar Pouches of the Tarsocrural Joint for the Treatment of Osteochondritis Dissecans in the Horse: Clinical Features and Follow-Up. *Veterinary Surgery*, 45(8), 1049-1055. <a href="http://dx.doi.org/10.1111/vsu.12560">[More Information]</a>

Wylie, C., Shaw, D., Verheyen, K., Newton, J. (2016). Decision-tree analysis of clinical data to aid diagnostic reasoning for equine laminitis: A cross-sectional study. *The Veterinary Record*, 178(17), 420. <a href="http://dx.doi.org/10.1136/vr.103588">[More Information]</a>

Information]

Wylie, C., Shaw, D., Fordyce, F., Lilly, A., Pirie, R., McGorum, B. (2016). Equine grass sickness in Scotland: A case-control study of environmental geochemical risk factors. *Equine Veterinary Journal*, 48(6), 779-785. <a href="http://dx.doi.org/10.1111/evj.12490">[More Information]

Compston, P., Turner, T., Wylie, C., Payne, R. (2016). Laser surgery as a treatment for histologically confirmed sarcoids in the horse. *Equine Veterinary Journal*, 48(4), 451-456. <a href="http://dx.doi.org/10.1111/evj.12456">[More Information]

Garvican, E., Wylie, C., Payne, R., Smith, R., Head, M. (2016). Mineralization of the Equine Palmar/Plantar Annular Ligament Treated by Surgical Resection. *Veterinary Surgery*, 45(5), 602-608. <a href="http://dx.doi.org/10.1111/vsu.12503">[More Information]

## 2015

Robin, C., Ireland, J., Wylie, C., Collins, S., Verheyen, K., Newton, J. (2015). Prevalence of and risk factors for equine obesity in Great Britain based on owner-reported body condition scores. *Equine Veterinary Journal*, 47(2), 196-201. <a href="http://dx.doi.org/10.1111/evj.12275">[More Information]

Wylie, C., Newton, J., Bathe, A., Payne, R. (2015). Prevalence of supporting limb laminitis in a UK equine practice and referral hospital setting between 2005 and 2013: Implications for future epidemiological studies. *The Veterinary Record*, 176(3). <a href="http://dx.doi.org/10.1136/vr.102426">[More Information]

Wylie, C. (2015). Prospective, retrospective or clinical audit: A label that sticks. *Equine Veterinary Journal*, 47(3), 257-259. <a href="http://dx.doi.org/10.1111/evj.12409">[More Information]

Wylie, C., Foote, A., Rasotto, R., Cameron, I., Greet, T. (2015). Tracheal necrosis as a fatal complication of endotracheal intubation. *Equine Veterinary Education*, 27(4), 170-175. <a href="http://dx.doi.org/10.1111/eve.12276">[More Information]

## 2014

Wylie, C., Carbonell-Antonanzas, M., Aiassa, E., Dhollander, S., Zagmutt, F., Brodbelt, D., Solano-Gallego, L. (2014). A systematic review of the efficacy of prophylactic control measures for naturally occurring canine leishmaniosis. Part II: Topically applied insecticide treatments and prophylactic medications. *Preventive Veterinary Medicine*, 117(1), 19-27. <a href="http://dx.doi.org/10.1016/j.prevetmed.2014.06.016">[More Information]

Wylie, C., Carbonell-Antonanzas, M., Aiassa, E., Dhollander, S., Zagmutt, F., Brodbelt, D., Solano-Gallego, L. (2014). A systematic review of the efficacy of prophylactic control measures for naturally-occurring canine leishmaniosis, part I: Vaccinations. *Preventive Veterinary Medicine*, 117(1), 7-18. <a href="http://dx.doi.org/10.1016/j.prevetmed.2014.06.015">[More Information]

Wylie, C., Shaw, D., Fordyce, F., Lilly, A., McGorum, B. (2014). Equine grass sickness in Scotland: A case-control study of signalment- and meteorology-related risk factors. *Equine Veterinary Journal*, 46(1), 64-71. <a href="http://dx.doi.org/10.1111/evj.12077">[More Information]

Wylie, C. (2014). Ten-minute chat. *The Veterinary Record*, 175(20), ii-ii. <a href="http://dx.doi.org/10.1111/evj.12077">[More Information]

<a href="http://dx.doi.org/10.1136/vr.g7060">[More Information]

Mosseri, S., Guiry, L., Wylie, C., Kemp-Symonds, J. (2014). Traitement de 53 m<sup>2</sup> l'anomes cutan<sup>2</sup> chez le cheval (2003-2012). *CAHIER SCIENTIFIQUE*, 1-6.

## 2013

Wylie, C., Collins, S., Verheyen, K., Newton, J. (2013). A cohort study of equine laminitis in Great Britain 2009-2011: Estimation of disease frequency and description of clinical signs in 577 cases. *Equine Veterinary Journal*, 45(6), 681-687. <a href="http://dx.doi.org/10.1111/evj.12047">[More Information]

Gajanayake, I., Wylie, C., Chan, D. (2013). Clinical experience with a lipid-free, ready-made parenteral nutrition solution in dogs: 70 cases (2006-2012). *Journal of Veterinary Emergency and Critical Care*, 23(3), 305-313. <a href="http://dx.doi.org/10.1111/vec.12029">[More Information]

Wylie, C., Ireland, J., Collins, S., Verheyen, K., Newton, J. (2013). Demographics and management practices of horses and ponies in Great Britain: A cross-sectional study. *Research In Veterinary Science*, 95(2), 410-417. <a href="http://dx.doi.org/10.1016/j.rvsc.2013.05.004">[More Information]

Wylie, C. (2013). Equine laminitis: What is all the hype about hyperinsulinaemic laminitis? *The Veterinary Journal*, 196, 139-140. <a href="http://dx.doi.org/10.1016/j.tvjl.2012.10.005">[More Information]

Ireland, J., Wylie, C., Collins, S., Verheyen, K., Newton, J. (2013). Preventive health care and owner-reported disease prevalence of horses and ponies in Great Britain. *Research In Veterinary Science*, 95(2), 418-424. <a href="http://dx.doi.org/10.1016/j.rvsc.2013.05.007">[More Information]

Wylie, C., Collins, S., Verheyen, K., Newton, J. (2013). Risk factors for equine laminitis: A case-control study conducted in veterinary-registered horses and ponies in Great Britain between 2009 and 2011. *The Veterinary Journal*, 198(1), 57-69. <a href="http://dx.doi.org/10.1016/j.tvjl.2013.08.028">[More Information]

## 2012

Wylie, C., Collins, S., Verheyen, K., Newton, J. (2012). Risk factors for equine laminitis: A systematic review with quality appraisal of published evidence. *The Veterinary Journal*, 193(1), 58-66. <a href="http://dx.doi.org/10.1016/j.tvjl.2011.10.020">[More Information]

## 2011

Wylie, C., Proudman, C., McGorum, B., Newton, J. (2011). A nationwide surveillance scheme for equine grass sickness in Great Britain: Results for the period 2000-2009. *Equine Veterinary Journal*, 43(5), 571-579. <a href="http://dx.doi.org/10.1111/j.2042-3306.2011.00364.x">[More Information]

Wylie, C., Collins, S., Verheyen, K., Newton, J. (2011). Frequency of equine laminitis: A systematic review with quality appraisal of published evidence. *The Veterinary Journal*, 189(3), 248-256. <a href="http://dx.doi.org/10.1016/j.tvjl.2011.04.014">[More Information]

Robin, C., Wylie, C., Wood, J., Newton, J. (2011). Making use

of equine population demography for disease control purposes: Preliminary observations on the difficulties of counting and locating horses in Great Britain. *Equine Veterinary Journal*, 43(3), 372-375. <a href="http://dx.doi.org/10.1111/j.2042-3306.2010.00186.x">[More Information]</a>

## 2010

Newton, J., Wylie, C., Proudman, C., McGorum, B., Poxton, I. (2010). Equine grass sickness: Are we any nearer to answers on cause and prevention after a century of research? *Equine Veterinary Journal*, 42(6), 477-481. <a href="http://dx.doi.org/10.1111/j.2042-3306.2010.00155.x">[More Information]</a>

Wylie, C., Collins, S. (2010). Equine insulin resistance: The quest for sensitivity. *The Veterinary Journal*, 186(3), 275-276. <a href="http://dx.doi.org/10.1016/j.tvjl.2009.11.023">[More Information]</a>

Collins, S., Pollitt, C., Wylie, C., Matiasek, K. (2010). Laminitic Pain: Parallels with Pain States in Humans and Other Species. *Veterinary Clinics of North America: Equine Practice*, 26(3), 643-671. <a href="http://dx.doi.org/10.1016/j.cveq.2010.08.001">[More Information]</a>

Rendle, D., Durham, A., Wylie, C., Newton, J. (2010). Results of intradermal testing for the investigation of atopic dermatitis and recurrent urticaria in 50 horses in the south of England. *Equine Veterinary Education*, 22(12), 616-622. <a href="http://dx.doi.org/10.1111/j.2042-3292.2010.00151.x">[More Information]</a>

## 2009

Wylie, C., Proudman, C. (2009). Equine grass sickness: epidemiology, diagnosis, and global distribution. *Veterinary Clinics of North America: Equine Practice*, 25(2), 381-399. <a href="http://dx.doi.org/10.1016/j.cveq.2009.04.006">[More Information]</a>
